**SINGS FIRST MASS**—The Rev. Robert I. Barsch, center, shown with his parents, Mr. and Mrs. L. M. Barsch, 1406 South Harrison, sang his first Mass Sunday at Sacred Heart Catholic Church. He had been ordained the previous day in Kansas City. (Wright photo)

## Graduate of Sacred Heart—

### Father Barsch Sings First Solemn Mass Here Sunday

Rev. Robert I. Barsch, son of Mr. and Mrs. L. M. Barsch, 1406 South Harrison, sang his first Solemn Mass Sunday, June 3, at Sacred Heart Catholic Church at 11 o'clock in the morning. He had been ordained to the priesthood on the previous day in the Catholic cathedral in Kansas City by the Most Rev. Joseph M. Marling, auxiliary bishop. The assistant priest was the Rev. A. J. Brunswick, C. P. S., pastor; the deacon, the Rev. Charles Weidner of Moberly, Missouri and subdeacon, the Rev. G. P. Pelletier, C. P. S., assistant pastor at Sacred Heart in Sedalia. Other assistants were seminarians: Rudolf E. Mondragon of Pueblo, Colo., as cross bearer; William Spear, Kansas City as master of ceremonies; Matthew Westmeier, Sedalia, as thurifer; Terence Monfefe and Michael Dorewiler, as acolytes. The seminarians in which these young men are in training are respectively: St. Thomas Seminary in Denver, Colo.; Oblate Seminary in Carthage, La.; Sallet Seminary at Jefferson City, St. John Seminary in Kansas City.

In the procession which preceded the Mass, Little Miss Janice Witte of St. Louis carried a sheaf of flowers to be blessed for the Blessed Virgin Mary's side altar. Little Thomas Spear carried Father Barsch's beautiful chalice of hammered silver lined and rimmed with gold, which was handed made for him by a relative of a fellow seminarian. Little Emmerich Schulte of Kansas City, Kansas, carried the paten. In the procession leading to the church were Knights of Columbus in full regalia, Boy Scouts of Troop 58, six surplined altar boys, and four small boys wearing white capes.

Rev. Pelletier delivered the sermon at the Mass. His subject was the great dignity of the priesthood and why everyone calls a priest "Father." Sacred Heart Male Choir under the direction of Claude Boul, and with Mrs. Earl Paxton as organist, added beauty to the solemn ceremony with their splendid voices and music. Father Barsch gave his first priestly blessing individually at the Communion rail to an estimated 350 persons after the Mass.

At one o'clock in the Sacred Heart School cafeteria a dinner was served to 70 guests, fellow priests, relatives and friends. The chicken and steak dinner was prepared and served by ten ladies of the Sacred Heart Altar Society. Rev. R. C. Reinhart, C. P. S., was the master of ceremonies for the after dinner speeches. He first introduced Father Charles Wiederholt, a former classmate of Father Barsch in the Conception Benedictine Abbey, now assistant pastor in Moberly. He paid high tribute to the sterling qualities of character of the newly ordained "Father Bob." The pastor and two assistants at Sacred Heart church here spoke briefly before the concluding talk by Father Barsch, in which he paid tribute to his parents and all those who through their aid of prayers had helped him to follow his calling to serve at the Altar of God as a priest. He appealed for continued prayers that the Lord who gives the increase to man's

## Time to Provide

The farmers are beginning to wish the skies would keep their promise.

Considerable cloudiness, warmer and humid tonight and Wednesday; chance of scattered thundershowers late tonight and Wednesday afternoon; low tonight near 60; high Wednesday in upper 80s.

The temperature one year ago today, high 84, low 60; two years ago, high 80, low 52; and three years ago, high 88, low 71.

The temperature at 7 a.m. was 68; 73 at 1 p.m. and 80 at 2 p.m. Low Monday night 65.

Stage at Lake of the Ozarks 48.2 rise 2.

## Council Revamps Precincts

**Another Ordinance Given Final Vote; Tractor Shovel Purchase Authorized**

The City Council, at its regular meeting Monday night, gave final passage to an ordinance redistricting the city according to wards and precincts. An ordinance establishing sewer district No. 125 was read for its second and third times and also given final passage.

Eleven other ordinances were read for the first time and a resolution was passed authorizing Mayor Bagby to execute a conditional sales contract for the purchase of one Michigan tractor shovel at a cost of \$11,950.

Bids were opened and read for the construction of curb and gutter on six different sections of street. Other bids opened and read were construction of a lateral in sewer district No. 124 and for the construction of paving with a hot asphalt mix on two different sections of street.

The bids of W. A. Rayl and Sons were accepted for curb and gutter on West 11th from State Fair Blvd. south 212 feet; Sue Lane; Kay Avenue; Herold Street; Griffith Ave., and Beacon Avenue and the ordinances were read for the first time.

The bids of Schroeder Construction Co. were accepted for the paving with hot asphalt mix mat coat of East Fifth from Lamine to Engineer, Kentucky from the north line of Broadway to the south line of the MKT railroad, and the ordinances were read for the first time and held for further consideration.

Ordinances were read for the first time providing for paving with a hot mix asphalt mat coat of Moniteau from the south right of way of the MKT railroad to the north line of Fourth and on Vermont from the south right of way of the Missouri Pacific railroad to the center of the east-west alley between Third and Fourth streets.

On the motion of Councilman Woodrow Garrison, a fire hydrant was authorized at the intersection of Skyline and Anderson in Southwest Village and an ordinance was ordered drawn up.

The sanitary department was authorized to purchase a sewer cleaner at an approximate cost of \$170.

Councilman Harry Moore presented a petition of property owners residing in an area bounded by Dundee Avenue and Gentry and Liberty Park Blvd. and Main requesting sanitary sewer service. The engineering department was authorized to form a sewer district (Please turn to page 4, column 3)

## President Nominates Smith for Judgeship

WASHINGTON (AP)—President Eisenhower today nominated R. Jasper Smith, former Missouri state senator, to be a U. S. district judge for Western Missouri. Smith, 47-year-old Republican, now is in private law practice at Springfield, Mo. He served in the Missouri Senate from 1942 to 1954. The nomination is subject to Senate confirmation. Smith would succeed Judge Charles E. Whitaker, who recently was elevated to the Eighth Circuit bench.

## Ex-Secretary Of Interior Takes Stand

**Testifies in Behalf Of Matt Connelly In Tax-Fixing Case**

ST. LOUIS (AP)—Oscar L. Chapman, former interior secretary, testified today Matthew J. Connelly was merely carrying out duties as White House appointments secretary when he referred persons to various government officials for conferences.

Chapman was a defense witness at the Federal Court conspiracy trial of Connelly and T. Lamar Caudle, former head of the Justice Department's tax division, both of whom served in the Truman administration.

Chapman told the jury Connelly was simply being "courteous to visitors in Washington" in arranging such meetings.

Persons referred to his office by Connelly, Chapman said, "got the same treatment as if they had walked in off the street."

Also on hand to appear as a witness for Connelly was Harry A. McDonald, former RFC administrator and one-time SEC chairman who now is an investment counselor with offices in Washington and Miami, Fla.

A defense attorney yesterday said Caudle "took the very hide off" a lawyer for a tax evader when informed the lawyer had bought an oil royalty in Caudle's name.

Caudle and Connelly are accused of conspiring to defraud the government by fixing the tax case of the tax evader, Irving Sachs. C. Arthur Anderson, attorney for Caudle, former head of the Justice Department's Tax Division, said Caudle asked Harry I. Schwimmer:

"Why did you buy that oil royalty? I didn't authorize you to do that. I don't want it at any price." Anderson said yesterday at Caudle's federal court trial that Schwimmer then said, "I'll get it out of your name. I'll prepare a transfer order."

The transfer was taken care of after months of insistence by Caudle, Anderson said.

## Estes, Adlai Have Hopes—

### California Has Primary For Democratic Candidate

SAN FRANCISCO (AP)—Californians vote today in a primary which both Adlai Stevenson and Sen. Estes Kefauver eye hopefully as the key to the Democratic nomination for president.

All the indications—newspaper polls, crowd reaction and professional guesses—gave the edge to the 68-vote Democratic delegation pledged to Stevenson.

This was disputed right to the last by the handshaking senator from Tennessee and leaders of his rival slate.

Stevenson supporters, some of

whom forecast he would win by 200,000 to 300,000, seized on announced plans by Kefauver to campaign in the Los Angeles area today as a contradiction of his own prediction of victory by 185,000.

Stevenson said in Los Angeles he was "quietly confident" he would carry the biggest contested primary, but he refrained from any figures. He rested his case before the voters with a television appearance there last night.

In his closing campaign speech he charged that his record as governor of Illinois had been "deliberately distorted" and said his "records speak louder than the words" of Sen. Kefauver.

"Don't rock the boat," said Stevenson, seems to be Republican philosophy.

"I say let's pull up the anchor; let's get going again." Kefauver wound up his campaign with another Los Angeles TV address in which he said his program is more liberal than that of Stevenson.

"I am not a fair weather liberal, I am a liberal all the time," he said. He called Stevenson a moderate like President Eisenhower and said this was the basic difference between himself and the former Illinois governor.

A fairly light vote was anticipated—perhaps around 60 per cent of the 5½ million statewide registration.

President Eisenhower was opposed on the Republican ticket for 70 GOP delegates. And in the only other statewide race, Republican Sen. Thomas H. Kuchel appeared a shoo-in for re-election against two unknowns.

The Democrats, on the other hand, witnessed one of the hardest fought presidential primaries ever waged in California. Then there was a bitter scrap between former Rep. Samuel W. Yorty and 39-year-old State Sen. Richard Richards, both of Los Angeles, for the Democratic nomination for the Senate.

## Federal Court Panel Strikes Racial Seating in Montgomery

**GROUNDBREAKING CEREMONY**—Mayor Julian H. Bagby breaks ground with a silver shovel in a ceremony Monday morning marking the start of construction of the Southwestern Bell Telephone Company's new \$2,250,000 dial center in Sedalia. Watching him are, left to right: Floyd Priddy, president of the Chamber of Commerce; Milton Overstreet, state representative from Pettis County; Jack Faber, executive manager of the Chamber of Commerce; James E. Durely, city attorney; George H. Scruton, editor of The Sedalia Democrat-Capital; and Norman Pitcairn, manager of the telephone company. (Tony Welch photo)

## Gov. Donnelly Signs Prison Money Bill

**Will Provide New Medium Security Jail and Repairs**

JEFFERSON CITY (AP)—A bill carrying \$10 million for a new medium security prison plus repair funds for Missouri's riot scarred penal system was approved yesterday by Gov. Phil M. Donnelly.

Altogether the bill appropriated \$15,350,000, or about \$5 million less than the governor had requested. He said he still thought the Legislature should have appropriated \$13 million as he urged for the medium security institution but since it didn't, "We'll just have to do the best we can."

A special nine-member commission meets for the first time Friday to start considering where the new prison should be built. It has to be away from the main penitentiary but must be within a reasonable distance of Jefferson City.

The bill also allots \$950,000 for a new dormitory at the Women's Prison here and \$3,400,000 for repairs to the main Penitentiary, the Women's Prison and the prison farms.

Another \$350,000 goes to the State Training School for Boys at Booneville, including \$100,000 for a new chapel, \$225,000 for a new cottage and \$25,000 for repairs.

The Training School for Girls at Chillicothe gets \$475,000, including \$200,000 for a new cottage to house 37 girls and staff personnel, \$100,000 to expand the Hyde school building and \$175,000 for repairs.

The Tipton School for Negro Girls is to be abandoned late this summer and the girls there will be transferred to Chillicothe.

The bill set aside \$175,000 for the expenses of marketing and processing the \$75 million bond issue voted last January.

## Geologists Begin On Unified Asian Map

TOKYO (AP)—Geologists of 13 nations met here today to start work on a unified Asian map under auspices of the United Nations Economic Commission for Asia and the far east.

The session will last six days. Russia's delegate told the opening session that Russia considered that Red China and Outer Mongolia should be present but did not demand they be represented. Nor did he demand that Nationalist Chinese delegates be ousted.

## Carpenter Denies Being Threatened

ST. LOUIS (AP)—L. C. Carpenter, state commissioner of agriculture, has denied a report by the Globe-Democrat that he is being pressured out of the race for the Democratic gubernatorial nomination by party leaders.

The newspaper said in today's editions that Carpenter was the only candidate who would give Lt. Gov. James T. Blair Jr. a battle and the jobs of Carpenter's subordinates have been threatened unless he quits the race.

Carpenter, in Kansas City where he is undergoing a physical check-up, told the newspaper: "I'm not out of this race by a darned sight! No pressure has been brought on me by any state official to get out of the race or on any employees, so far as I know."

Blair also denied any pressure has been brought on Carpenter. "There is no agreement with Carpenter, or anybody else, for Carpenter to withdraw," Blair told the Globe-Democrat.

Carpenter said his doctor had advised him "to slow down some" and he would have no plans until he learns the results of the check-up, expected to last until Thursday or Friday.

## Ike Arranges Foreign Aid Conference

**He Invites House Leaders to Meet With Him Tonight**

WASHINGTON (AP)—President Eisenhower has asked House Democratic and Republican leaders to meet with him tonight for talks about the \$1,109,000,000 cut in foreign aid voted by the House Foreign Affairs Committee. He hopes to get the cut rescinded.

Announcing plans for the conference, House GOP leader Martin of Massachusetts told newsmen at the White House that the President and other administration officials feel the program would be "badly crippled" if the cut is allowed to stand.

The administration asked for \$4,900,000,000 in foreign aid for the fiscal year starting July 1.

The cut voted by the House committee calls for a reduction of one billion dollars in military aid. The balance of the reduction would be in economic aid and in other fields.

Senate GOP Leader Knowland told newsmen that the similar bipartisan meeting of Senate leaders will be held with the President when the foreign aid bill is ready for Senate action.

The bill is scheduled to come up for House debate tomorrow.

Asked whether the purpose of tonight's conference is to chart strategy in an effort to restore the billion-plus dollars trimmed from the foreign aid program by the House committee, Martin replied: "Yes, they (the administration) would like very much to restore it."

Then he went on to say the President and other administration officials feel that the foreign aid program "would be badly crippled" if the cut were allowed to stand.

## Vote Is 2-1 Against City Bus Policy

**Is Not Effective Until Court Enters Formal Judgment**

MONTGOMERY, Ala. (AP)—A three judge Federal Court panel in a 2-1 vote today ruled racial segregation unconstitutional on Montgomery city buses.

The panel ruled that both the city and state segregation laws requiring separate seating facilities for white and Negro passengers violate the federal constitution.

Judge Richard T. Rives of the 5th U.S. Circuit Court of Appeals and Judge Frank M. Johnson Jr. of Alabama's U.S. Middle District Court signed the majority opinion.

Judge Seybourn Lynne of Alabama's Northern U.S. District Court, Birmingham, wrote a dissenting opinion saying that in his opinion separate but equal facilities are constitutional.

The ruling doesn't become effective, the court said, until a formal judgment is entered. Opposing attorneys were asked to submit in writing within two weeks their views on the form of a judgment and whether a stay should be granted pending an appeal.

The decision came on the six-month anniversary of Montgomery's Negro bus boycott which started last Dec. 5 in protest against segregated seating facilities on city buses. The suit in Federal Court which led to today's decision was filed by four Negro women who testified at a hearing on May 11 that they have refused to ride city buses since the mass protest began.

Today's ruling can be appealed directly to the U.S. Supreme Court and may provide the first clearest test of city bus segregation in the South.

## Subcommittee Votes Charges Of Contempt

ST. LOUIS (AP)—A subcommittee of the House Committee on Un-American Activities today voted to recommend citation of John W. Simpson of St. Louis for contempt for his refusal to answer a series of questions.

The vote by the three subcommittee members was unanimous. Their recommendation will go to the full committee.

Simpson, one of four witnesses who refused to testify yesterday when asked about their alleged Communist activities said "I'm surrounded by a bunch of slick operators here, so I decline to answer any questions."

William W. Cortor, former Communist and later an informer for the FBI, named Simpson as one of four members of a Communist "automotive group" organized here in 1953.

Cortor said the group was formed in an effort to establish Communists in positions of leadership and influence in labor unions at General Motors plants in the St. Louis area.

Cortor identified the three other members of the group as himself, William Henry Holland John Day. He said he knew of at least one other such automotive unit organized by the party here.

The four witnesses who refused to answer questions invoked the Fifth Amendment, saying they feared they might incriminate themselves by answering questions.

## Boiler Explosion Kills 5, Injures 86

ALEXANDRIA, Egypt (AP)—Five persons were reported killed and 86 injured today when a boiler exploded at the Alexandria Salt and Soda Co. plant.

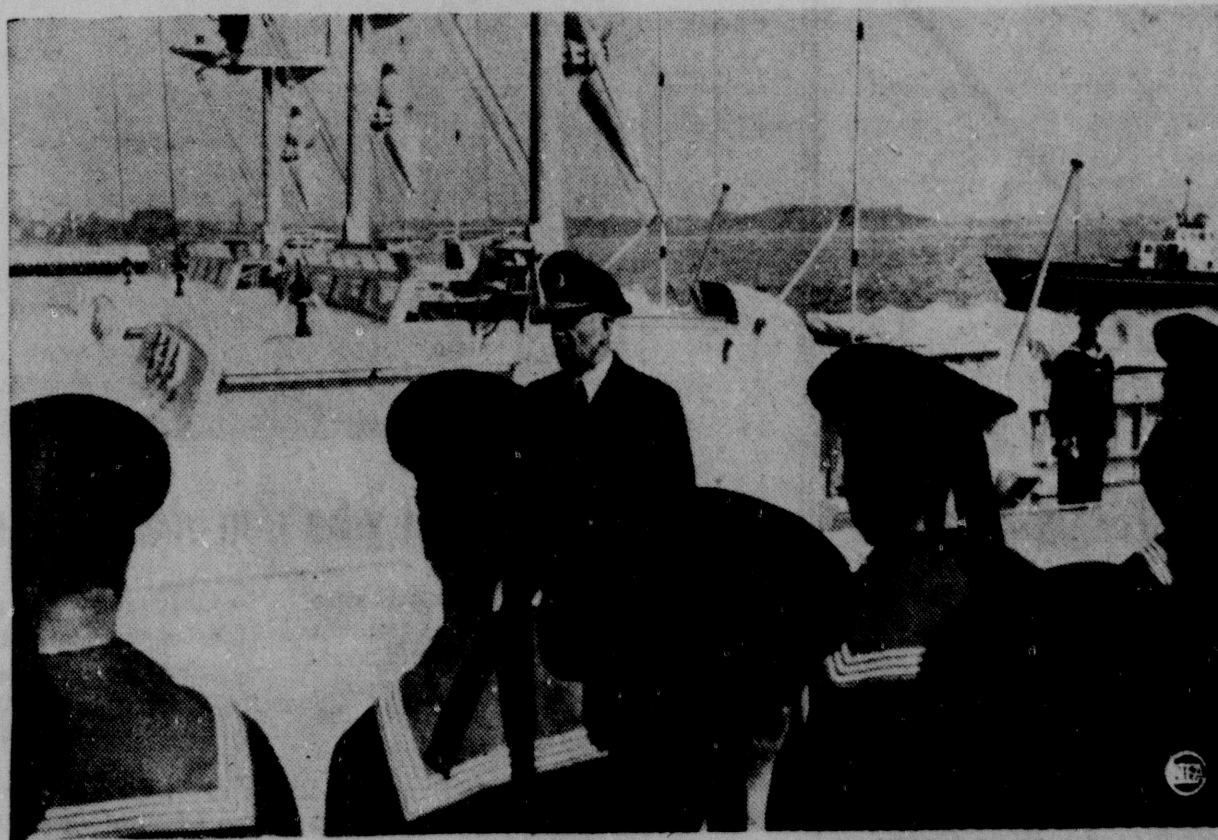

## INSIDE STORIES

The FBI has uncovered the first major portion of the money stolen from Brink's, as told on Page 2.

On the same page is an explanation of how the farmers will, under the soil bank program, receive "payments for reduction which they make by their own efforts, not brought about by accident."

The latest attack on Stalin by Khrushchev has aroused speculation that the former dictator was murdered instead of dying a natural death. See Page 12.

## One More Aid to European Strength

**SHIPS TO GERMAN NAVY**—Admiral Frederick Bitter addresses crews of the first three ships taken over from the British Royal Navy at the Kiel Naval Base in Germany. The boats, without armory, will make up the first units of the German Navy's Speed Boat Training Squadron. The superstructures of the ships can be seen in the background. (NEA Telephoto)

## FBI Uncovers Large Brink Money Cache

BOSTON (AP)—A routine arrest in Baltimore has led to what the FBI calls the first sizable recovery of loot from the \$1,218,000 Brink's robbery of more than six years ago.

Some \$30,000 was found yesterday by FBI and Boston police behind false paneling in an office in the sub basement of a South End rooming house. Authorities said serial numbers check with those on the Brink's loot.

The find came within 18 hours of the arrest of Jordan Perry Jr., 31, a Boston stone mason and ex-convict, who was taken into custody after passing suspicious money in a Baltimore amusement park.

Two men were arrested in Boston, charged with being accessories after the fact of the Brink's robbery, the largest cash haul in the nation's criminal history.

They were identified as Edward Bennett, 36, of Weymouth, and John F. Buccelli, 41, of Brookline. The FBI said Bennett was arrested as he arrived at the South End office. Buccelli, whom the FBI said it had shadowed in Bennett's company, was picked up a few blocks away.

Meanwhile, trial date for 10 men indicted as participants in the Brink's robbery was set for Aug. 6. The 10 were indicted—last January.

The roundup of money began Sunday night when Perry cashed a ragged and moldy \$10 bill in the amusement park. The park operator, suspicious, showed the bill to police.

Authorities looked up Perry and, they said, found more than \$1,000, mostly in \$5 and \$10 bills, on his person. The bills, they said, "had a smell of mold and were brittle and brown with age."

Perry admitted having more money in his hotel room, officials said, and they found \$3,770 hidden under a carpet. The bills were numbered in sequence, indicating robbery money, officials said. A check with the FBI showed it to be Brink's money.

### Moonshine Cell

MONROE, Mich. (AP)—Prisoners at the county jail got drunk on confiscated moonshine without leaving their cells.

The prisoners inserted a curved shower room pipe through cell ventilation holes into jars of moonshine stored in a hall between bunnies and siphoned the whiskey out.

## Farmers Get Cutback Pay For Own Work

WASHINGTON (AP)—Farmers will get payments under the government's new \$1,200,000,000 yearly soil bank program only for what they themselves do to reduce production of crops now in surplus.

They will get no payments on reductions caused by nature through drought, floods, hailstorms, insects and the like.

Agriculture Department officials said today this will be the rule in fixing payments under the soil bank plan for 1956 crops.

The soil bank is designed to reduce production of wheat, cotton, corn, peanuts, rice and tobacco by the offer of government subsidies to farmers for planting fewer acres than are allotted them.

The farmer may plow under a poor immature crop and get a soil bank payment—but only on the amount of the estimated production thus eliminated.

These rulings greatly narrow the 1956 program from that indicated by Secretary of Agriculture Benson at a news conference May 31. At that time, his comments and a press release distributed by his department were interpreted as indicating that any immature crop—whether it had good or poor prospects—would be eligible for full payment if plowed up.

Benson put a different light on the program in a speech last night at Beaver Dam, Wis.

"To the end that I am able I intend to see that the nation gets a dollar's worth of surplus reduction or a dollar's worth of conservation for every dollar paid out," he said. "We should not also load upon the program responsibility for drought relief, flood relief and credit relief."

The administration had proposed to determine the size of payments for underplanting allotments by multiplying the normal yield of the idled acres by a crop unit rate. These rates have been set at 90 cents a bushel for corn, \$1.20 for wheat, 15 cents a pound for cotton and \$2.25 a hundred pounds for rice. No rates have yet been set for peanuts and tobacco.

Thus a farmer who ploughed up 10 acres of corn having a normal yield of 50 bushels an acre would get a soil bank payment of 500 times 90 cents or \$450.

But under a payment method tentatively adopted for this year, the yield of ploughed-up land would not be based on the normal figure, but on an appraisal of the crop outlook at the time the farmer applied.

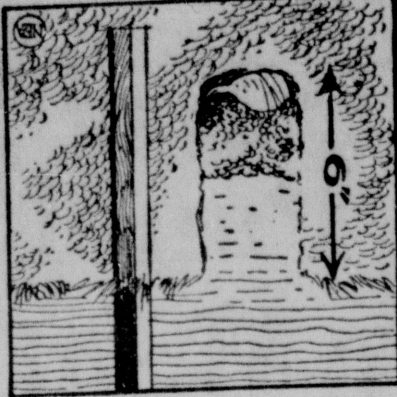

Thus if a field which normally produced 50 bushels was appraised at 20 bushels because of adverse weather, the payment for ploughing under each idled acre would be 20 times 90 cents or \$18. That would be only \$180 for 10 acres.

### Highway Dept. Sale Auctions 60 Buildings

HANNIBAL, Mo., (AP)—With the auction of 30 buildings here yesterday the State Highway Department has completed the sale of 60 buildings and opened the way for new Urban Highway 36.

The highway will start at Mark Twain Bridge and go through a historic old section of the city.

Many of the buildings date back to Civil War times and before.

Place tubers flat with stem end an inch or more from stake, and cover with two inches of soil.

## Plant Dahlias Deep in Sandy Loamy Soil

By HENRY FREE  
Written for NEA Service

Dahlia tubers and plants should be planted in a well-drained, sandy loamy soil that has been well prepared. To permit circulation of air and ease of cultivation, average spacing is about 2½ feet between rows and plants more for the large decorative types and less for the miniature varieties.

Dahlia tubers are placed in prepared holes, six to eight inches deep, and at least a spade's width. The combination of brittle and hollow stalks and a small root system makes it necessary for a stout stake to support each plant.

The hole is made on one side of the stake and deep enough so that at least six inches of soil eventually will cover each tuber. As a rule, stakes stand six feet above the surface.

The tuber is placed flat with the stem end an inch or more away from the stake and covered with two inches of soil, taking care not to injure the young tender sprout. As this sprout grows, fill the hole gradually with fine soil. The first tying to the stake occurs when the plant is 16 to 18 inches tall, but not until after the first pinching back of the top growth.

The tips are pinched off when the plant is a foot high, leaving two sets of two leaves, each on the plant. New growth then starts at the junction of each of these remaining four leaves with the main stalk.

Monthly feeding starts when the plants are a foot tall, using a 4-12-4 mixture. Gardeners generally regard dahlias as specimen plant subjects that require staking and special winter care. But there also are dahlias that are remarkably finebedding or border subjects, growing only a foot and half to two feet tall, and that you can grow readily from plants.

Three types of these dahlias are generally available. The rarest, and in some ways the most novel, is the little single-flowered kind called Coltness Hybrids. These flowers have only eight petals, but they cover the dwarf, compact plants with a never-ending display of 3½ to four-inch blooms.

Then much more often seen, there is the Unwin Dwarf Hybrid mixture. This is a series of semi-double flowers, also in many colors, which is produced on vigorous, two-foot plants. Stems are long enough for cutting, and the blooms average three inches in diameter.

Finally, there is the Unwin Ideal Bedding mixture. Here the tendency to doubleness is still stronger, with nearly all flowers either semi-double or double in character. The plants are only 1½ feet tall, making this an ideal border subject.

Although they make a fine crop from plants in a short time, these are all regular dahlias forming tubers just like the big, exhibition types.

All you have to do to have the same fine blooms next year is to lift the tubers before frost, storing them in a cool, dry place (covered with sand or vermiculite to keep them from shriveling) for the winter, and you're ready in the spring to set them out to bring you beauty again and again.

DRUMMING IT UP IN SOUTH AFRICA—Headed for South Africa to drum up support for a nation-wide cerebral palsy drive there, TV and movie star Don DeFore gets help from his entire family as he beats out rhythm on a Zulu war drum. Shown in New York City are Don and his wife, and their four children, left to right: Penny, 13; Dawn, 8; Ronnie, 5; and Don, Jr., 10. The U.S. group headed for Africa includes Pat O'Brien, Zsa Zsa Gabor, Tex Ritter, Martha Tilton, Merle Travis.

## Scientist Says Viruses Cause Most Cancers

By ALTON L. BLAKESLEE  
Associated Press Science Reporter

DETROIT (AP)—A Nobel Prize scientist today said he thinks viruses cause most or all cancers, including human.

The evidence is all logical, and it is increasing, said Dr. Wendell M. Stanley, University of California virologist.

He urged a wholly new attack against cancer from this theory. It could lead to vaccines to prevent cancer, like a Salk vaccine against polio virus, and new ways to cure it.

It is possible that all of us are walking around with "sleeping" cancer viruses, Dr. Stanley said. We might even "catch" noninfectious doses of viruses from other healthy people. But he stressed that you cannot "catch" cancer itself from another person. Cancer itself is not contagious.

The cancer viruses wouldn't do us any harm, until and unless something made them become active. The something could be aging, changes in hormones, dietary faults, chemicals, radiation, or other things, or a combination of them.

Far from being a scary idea, the virus theory opens the way to new experiments to find methods of controlling cancer, Dr. Stanley told the third National Cancer Conference. The conference, attended by 1,200 physicians and scientists from the United States and 23 foreign countries, is sponsored by the National Cancer Institute and the American Cancer Society.

Dr. Stanley won a Nobel Prize for the first purification and crystallization of a virus. He heads the Laboratory of Virus Research at California.

## Reserves Decision On Appeal for New Trial

NEW YORK (AP)—A federal judge has reserved decision on Morton Sobell's latest appeal for a new trial.

Sobell, sentenced to 30 years in prison as an atom spy, was convicted in 1951 with Julius and Ethel Rosenberg of conspiring to turn over atom bomb secrets to Russia.

The Rosenbergs were executed. Three times the U.S. Supreme Court has denied Sobell's appeals for a new trial.

Sobell's lawyers argued here yesterday before Judge Irving Kaufman that Sobell was convicted by perjured testimony of government witnesses.

## D. Kelly Scruton Lions Club Officer

In the opening day Monday of the Lions' Clubs of Missouri convention in Kansas City D. Kelly Scruton, Sedalia, was made secretary of the International counselors and Al T. Ruch, a Clayton banker, was endorsed as third vice-president of Lions International for 1957. Ruch was elected president of the counselors comprising the past district governors club.

Among six district governors whose terms expire was Edgar B. Smith, Sedalia, and Charles R. Holmes, Windsor.

### Blind Credit

MINNEAPOLIS, Minn. (AP)—Three women who pleaded guilty to forgery in the use of forged credit credentials on the account of a blind woman were placed on probation from indeterminate terms. The judge sentencing the three who had charged \$600 worth of goods to the blind woman termed their crime "lowdown and disgusting."

## Missouri 4-H Foundation Aids Program

By R. S. Clough, MU Extension State Club Agent

One of the assets of the 4-H program in this state is the Missouri 4-H Foundation. This is a non-stock, non-profit corporation organized in 1949. Work of the Foundation is guided by a Board of Trustees and an Advisory Committee. These men are agricultural and business leaders interested in 4-H work in the state.

Officers of the Board of Trustees are Don Spalding, St. Joseph, chairman; A. J. Renner, Sikeston, vice chairman; J. Rogers Cochran, Columbia, treasurer; and Frank Graham, Columbia, secretary.

One of the interesting things this Foundation does is to give citations each year to not more than two friends of 4-H. Extension people are not eligible for these awards. This presentation is made each year during 4-H Club Week at Columbia.

The Foundation initiated and secured many of the sponsors for 4-H leader camp conference programs that have been in effect since 1949. Eight of these camps are held each year. Leaders from every county in the state are invited to participate.

This Foundation is also the originator of the 4-H leader radio recognition programs. Three stations in St. Louis have carried these programs in addition to stations in Springfield, Kansas City, and St. Joseph.

The Foundation has concerned itself with the encouragement of community meeting places. These community buildings are thought of primarily as places for 4-H clubs to hold their meetings and their special events. Such buildings are, however, always available for other community events. Communities that are interested in building such a building or buying a building such as an abandoned school house may profitably get in touch with some member of the board of trustees or Frank Graham, Waters Hall, Columbia, Mo.

This is a brief run down of the activities of the Missouri 4-H Foundation. You will recognize that many of the things that it does are not within the range of regular Extension work. The Foundation treasury is custodian of funds contributed by individuals and companies. Some of the funds paid into this treasury are earmarked for specific purposes. Others may be used as the Board of Trustees determines. At the present time certain individuals are making plans to leave a part of their estate to the Foundation to be used for 4-H development.

Anyone interested in making be-

## Sedalian Gets Degree From Washburn College

Charles William Bolton, son of Mr. and Mrs. Charles H. Bolton, 400 West Fifth, received his degree as bachelor of business administration at the 91st commencement of Washburn University, Topeka, Kan. Sunday night, June 3. He was a member of a class of 280 graduates.

The address was on "Time-The Great Ruler" and was given by Clarence I. Pontius, president of the University of Tulsa, Tulsa, Okla., it being a very inspiring one to the large number of graduates.

Attending from Sedalia were Mr. and Mrs. Charles H. Bolton and a cousin, Miss Rose Semon.

At noon Monday Mr. and Mrs. Bolton and two little sons, Danny and Roger, left by plane for a two weeks' visit with Mrs. Bolton's mother, Mrs. A. Bernard, and sister and brother in Manchester, New Hampshire.

quests to this character building organization may be assured that all funds contributed will be devoted to 4-H. There are no deductions for administration.

## Takes Driving Lesson, Kills Her Instructor

DETROIT (AP)—A woman learning to drive wrecked her car and killed her teacher last night.

Mrs. Alice Dixon, 44, told police she was practicing in a supermarket parking lot and became excited when another auto started to enter as she was leaving. Her foot hit the accelerator instead of the brake.

The car slammed into the other auto head on, then shot across a street intersection into a parked truck.

Mrs. Eddie Mae Clark, 46, who was teaching Mrs. Dixon how to drive, was killed. Mrs. Dixon and her husband Wilbur, 56, who was in the back seat, were injured seriously.

Officers said Mrs. Dixon did not have a learner's permit and would be held for investigation of involuntary manslaughter.

## GILBEY'S makes a Tom Collins best

Gilbey's perfect clarity is a clear sign of the quality you want in gin... of gin that's made the natural, traditional way, without color.

Make your gin the best gin... the gin that's crystal-clear, naturally dry, and the perfect proof for perfect taste.

## GILBEY'S GIN

THE WORLD AGREES ON "GILBEY'S PLEASE"

Gilbey's Distilled London Dry Gin. 90 Proof. 100% Grain Neutral Spirits. W. & A. Gilbey, Ltd., Cincinnati, Ohio.

No rainy day savings? ...see HFC today!

It's not unusual for repair bills to catch a family unprepared—and borrowing the necessary money is often a common and sensible solution.

In fact, nearly two million folks borrow money from Household Finance every year to pay medical bills, repair bills, travel expenses... the kind of expenses you may face yourself right now.

HFC loans are prompt and convenient. You can get \$20 to \$1000, usually in just one day. If you have a steady income, and can repay in regular monthly instalments, you meet the principal requirement for borrowing at HFC. If you have a money problem, phone or drop by today!

Cash You Get	MONTHLY PAYMENT PLANS			
	24 Payments	20 Payments	12 Payments	6 Payments
\$50				
\$100	\$5.41	\$6.24	\$9.58	\$8.99
200	10.83	12.49	19.16	35.96
300	16.25	18.73	28.74	53.95
400	21.67	24.98	38.33	71.93
1000	48.81	57.12	90.52	174.28

On loans of \$400 or less charges are \$2.18% per month on unpaid balance. On loans above \$400 charges are 2.18% per month on the portion up to \$400 and 1% per month on the portion in excess of \$400, both portions repaid simultaneously.

## Bridal Showers Given Honoring De Ann Rodgers

Miss Margot DeAnn Rodgers, who was married June 1 to James D. Norcross, has been honored with a number of bridal showers and parties. The women in the purchasing department at Missouri Public Service in Warrensburg took her to dinner the day she resigned her position on May 15. She received a lovely gift from the group.

A surprise kitchen shower was given May 17 at the home of Miss Barbara Burgess in Warrensburg in honor of Miss Rodgers. Miss Burgess was assisted by Miss Rozanne Lewis and Miss Mary Jean Mazza.

Hanging from the chandelier above the table where the gifts were, was a fancy umbrella, from which was hanging a white sprinkler showering down tin foil strips. Directly under the sprinkler was a large bouquet of white mums. Streams of twisted blue and white crepe paper came from the center of the umbrella came to each corner of the table and were pinned down with miniature umbrellas. The table was covered with a blue satin cloth and a white lace tablecloth.

Refreshments were served to the honoree, her mother, Mrs. R. E. Rodgers, the bridegroom's mother, Mrs. Howard Norcross, Miss Doris Bryan, Mrs. Charles Burgess, Miss Deloris Bryan, Miss Betty Pointer, Mrs. Connie White, Miss Mary Jean Mazza, Miss Betty LaRue, Miss Pat Kinyon, Miss Rozanne Lewis, Miss Charlene Ritter and the hostess.

Friday evening, May 18, a miscellaneous shower was given at the home of Mrs. Melvin White, 1319 South Carr, in honor of Miss Rodgers. Mrs. Vernon Horn was co-hostess.

The table upon which the honoree found her gifts, was covered with a white lace cloth and a bouquet of large pink peonies formed the centerpiece.

Refreshments were served to the honoree, her mother, Mrs. R. E. Rodgers, the bridegroom's mother, Mrs. Howard Norcross, Warrensburg, Miss Maxine Wilson, Mrs. Rudy Saunders, Mrs. John Miers, Mrs. L. W. Duly, Mrs. John Bockelman, Mrs. H. C. Johnson, Mrs. M. D. Weathers, Mrs. M. H. Rodgers, Miss Ruby Rodgers, Mrs. Helen Pirsch, Mrs. Wendell Jorman, Mrs. George Arquitt, Mrs. John R. Hays, Jr., and Miss Marcia Rissler. The honoree received many nice gifts.

## Fortuna Club Meets With Mrs. M. Shull

Mrs. M. P. Shull, Fortuna, was hostess to the May meeting of the West View Friendly Neighbors Extension Club with seven members and one visitor, Mrs. Ella Howard, St. Louis, present.

The business meeting was in charge of the president, Mrs. J. P. McDaniel. Song by the club was followed by a prayer by Mrs. Walter Friedly.

Roll call was answered with "My Ideal Kitchen."

A talk, "Window Curtains," was given by Mrs. M. P. Shull and Mrs. Harry McColister. Following this, a game was led by Mrs. J. P. McDaniel. Four of the members received presents from their secret pals.

The hostess served refreshments during the social hour following the meeting.

## Mrs. O. N. Lockard Celebrates Birthday

Mr. and Mrs. Elmo Lockard and son, Eugene, entertained at dinner at their home north of Montserrat May 27, honoring the 86th birthday of his mother, Mrs. O. N. Lockard of Warrensburg.

Guests were, Mr. and Mrs. Hartley Lockard and daughter, Knob Noster; Punky Dillon, La Monte; Airman Earl Nelson, WAFB; Mr. and Mrs. Richard Price and sons, Mr. and Mrs. Harland Tempel and children, Mr. and Mrs. Kenneth Campbell and two children, Mrs. Frances Fox and daughters, Warrensburg; and Mrs. Russell Lockard, Falls City, Neb.

## Education Class Has Faculty Luncheon

The Whittier Parent Education Class entertained the school faculty with a one o'clock luncheon May 24 in the school lunch room. The tables were arranged in a U shape with the faculty facing the end of the room and the members on each side. The faculty table was decorated with a lace cloth over pink. A large rose bowl containing pink and white roses with pink and white tapers in crystal holders on each side was the centerpiece. Dainty pink and white baskets filled with mints were used as place cards. A different colored satin umbrella filled with sachet was placed by each teachers plate as a small gift from the class to show appreciation and thanks to the teachers for their effort this year.

The members tables were covered with lace cloths over white with two small rose bowls centering the tables. Mrs. E. L. Sheridan returned thanks. The luncheon was served cafeteria style to 43 members and teachers. Each of the 25 members had part in making the luncheon successful.

## Willing Workers Club Has Luncheon Meeting

The Willing Workers Extension Club, Versailles, met Friday, June 1, with Mrs. Orval Beard. There were 18 members and four visitors, Mrs. M. M. Gehrs and daughters, Hollister, and Mark Wendell, Kansas City, Kan., grandson of Mrs. Harry Bowen, present. A contributive dinner was served at noon.

The club collect was read and songs sung. The devotional was given by Mrs. Loan Kaufman. Roll call was answered with "Where and When I Was Born."

The lesson, "Window Treatment," was given by Mrs. Harry Bowen and Mrs. Inez Himrod.

Birthday and hostess gifts were opened.

## Aurora Alumni Hold 66th Annual Dinner Meeting

Norris Dean Kay was elected president of the Aurora Alumni Association at its 66th annual meeting. He succeeds Mrs. Golder L. Howard.

Other officers elected were:

first vice-president, Mrs. Carol Bolin; second vice-president, Miss Mary Dee Bailey; recording secretary, Miss Jean Wegener; assistant secretary, Ruth Ann Kuefer; permanent secretary, Miss Eva Cavers; and treasurer, R. L. Hart.

Jack Bowlin acted as master of ceremonies at the program which honored the classes of 1956, 1931 and 1916. Miss Eva Cavers who graduated 60 years ago was given a corsage of red roses.

Mrs. Lena Bueker Bieri read the resolutions. The group stood a moment in silent tribute to the members of the alumni who had died in the past year. They were:

Hulda F. Umbeck, class of 1905; Dr. Betty Wyss Meredith, class of 1950; Florence Handley Barnett, class of 1915; Leonard Dean Gainor, class of 1923; Emma Hert Treiber, class of 1897; Bertha Schmutz Baney, class of 1943; and Dorsey Barry, class of 1919.

Special recognition was given to those who had graduated 50 or more years ago. The oldest person present was Mrs. W. R. Flynn, class of 1891.

The seniors of 1956 were welcomed into the organization by Mrs. Golder Howard, president of the Aurora Alumni Association, and the response was made for the class by J. David Gattermeir, class president.

The banquet dinner was served by members of the American Legion Auxiliary. Music was furnished by Norman Kolar's orchestra and dancing was enjoyed in the gymnasium following the banquet.

## Past Matron's Club Plans Family Picnic

The Versailles Past Matron's Club met May 28 at the home of Mrs. Claud Dunaway with Mrs. Frank Pyle, Mrs. Ervin Moon and Mrs. Paul Uptergrove assisting. Mrs. Eva Goodman gave the devotional. Mrs. K. A. Goodman closed the devotions with a prayer.

The business meeting was conducted by the president, Mrs. J. A. Gorham. The program was given by Mrs. Logan Marr. A poem by Whittier was read and discussed.

Games were played led by Mrs. Frank Pyle and Mrs. K. A. Goodman.

Several received birthday and anniversary gifts from secret pals. Refreshments were served by the hostesses.

The next meeting will be a picnic supper for members and families.

## Bridal Showers Given Honoring Juanita Aggeler

Miss Juanita Aggeler, of Clifton City, was honored May 9 with a bridal shower given by Miss Lorene Klein and Mrs. Phillip Burford at the home of Mrs. Burford at 1006 South Grand, Sedalia.

Those present were Juanita Aggeler, Mrs. Joe Weller, Mrs. Melvin Oehrke, Mrs. Joe Bahner, Mrs. Wilbur Vollrath, Mrs. Phillip Burford, Mrs. Joe Klein, Miss Gwenie Moon, Miss Lorene Klein, Mrs. Emily Dick, Miss Faye Westhusing and Miss Mary Jo Morarity.

Others unable to attend, sent gifts.

Miss Aggeler was honored with a miscellaneous bridal shower, May 6, given by Mrs. Oscar Dove and Mrs. Oliver Bridges at the St. Joseph Community Hall in Clifton City. The hall was decorated with pastel streamers leading to a wedding bell over the honoree's lace covered table.

Refreshments were served to: Juanita Aggeler, Mrs. Hubert Aggeler, Mrs. Joe Klein, Miss Maggie Hallahan, Mrs. Jack Cramer, Mrs. Margaret Youngkamp, Mrs. Sylvester Seifert, Mrs. Leo Gerke, Miss Lucille Gerke, Mrs. Roy Klein, Mrs. William Gerke, Mrs. Don Aggeler, Miss Bernadette Eckler, Mrs. Andrew Gerke, Miss Martha Mae Gerke, Miss Virginia Klein, Mrs. William Doogs, Miss Sharon Klein and Miss Shirley Klein, Miss Carolyn Klein, Mrs. F. S. Needy, Mrs. Jim Needy, Mrs. Chester Garrett, Mrs. Cliff Logan, Misses Mary Jo, Gladys and Susan Garrett, Mrs. John Pabst, Mrs. J. J. Potter, Mrs. Harold Rugen, Mrs. A. H. Pabst, Mrs. Oliver Bridges, Mrs. Mary Fairfax, Mrs. Oscar Dove, Marilyn Aggeler, Ronnie Schuster, Marie Gerke and Johnny Wessing.

Others unable to attend, sent gifts.

**Jefferson Seventh Grade Gives Program**

The Jefferson PTA met Wednesday, May 23, in the school auditorium with Mrs. A. L. Jones, president, presiding.

A devotional entitled: "If Jesus Came to Your House," was given by Ruth Baldwin.

It was announced the new refrigerator will be delivered soon.

The PTA project for the year was the purchase of new tables for the lunchroom. This project is complete and cost \$361. New chairs for the lunchroom have been ordered, also.

Mrs. Jones thanked the parents for their support the past year.

The departing teachers and principal were presented gifts by Mrs. Jones.

The program of the evening was presented by the seventh grade taught by Mrs. Imogene Peoples.

Robert Cummings, music instructor, presented his band in "Twinkle, Twinkle Little Star" and "Lightly Row."

The group then enjoyed the "All American Promenade" by seventh grade girls and "Open Up Your Heart" and "Glow Worm to the Polka."

Room count was won by the seventh grade.

After the program, refreshments were served in the lunchroom.

## Your Eyes and Visual Functions

When is a child old enough to have an examination made of eyes and vision? This is a question optometrists are being asked with greater frequency as parents become more aware of the important role vision plays in the child's development.

The answer to this question is best answered by the fact that optometrists all over the country are reporting many more children being brought for examination in the pre-school years—some as early as their second and third year of age.

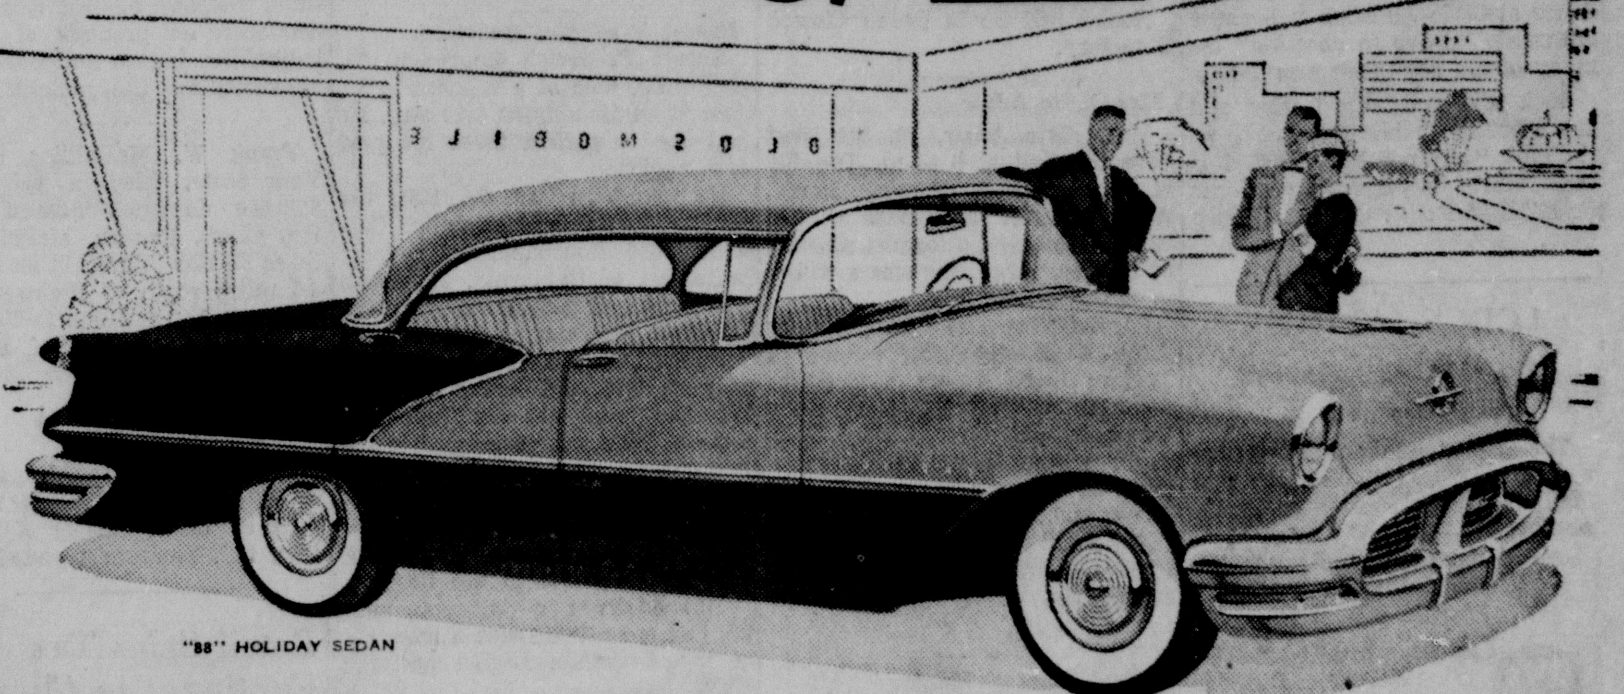

Vision specialists are noting problem conditions developing earlier than in former years. Many children coming for examination in their first or second school year are already myopic or border line myopes. Many others have not learned normal skill in fixation—focus—release and projection patterns while others have faulty eye and hand co-ordinations.

Optometry has developed many methods of improving visual skills and there is no better time than the pre-school years for examination, preventive and corrective training. You can give your child a head start by having a careful, analytical examination made at four or five, followed by periodical re-examinations to note progress and change at least once each year thereafter.

To all parents of children who will enter kindergarten or first grade this fall, the Missouri Optometric Association offers this earnest advice. Arrange now for a careful examination of the child's eyes. You will not only help to avoid the congestion that occurs in the late summer and early months of the school year, but if preventive or corrective work is needed, your child will be better prepared when school opens.

## Agreement To Land Transfer For Germany

LUXEMBOURG (AP) — French Premier Guy Mollet and West German Chancellor Konrad Adenauer agreed early today on the procedure for transfer of the rich Saar valley back to Germany.

Officials said the accord would permit speedy preparation of a treaty making the disputed border area a political part of West Germany by Jan. 1.

The agreement includes provisions for (1) a three-year transition period for termination of the customs and economic union between France and the Saar, (2) continued French rights to some coal production in the region and (3) building an international canal linking the Moselle and Rhine rivers.

France and West Germany have long sought to eliminate the Saar as a major point of friction in their relations. The German-speaking industrial sector supplies much of the coal to process the iron from France's great Lorraine mines nearby.

Announcement of the agreement came after talks between officials of the two governments stretched into the early morning hours in order to overcome a last-minute hitch on procedure. West German Foreign Minister Heinrich von Brentano left the French Embassy saying the negotiations had come to a "happy end."

Maurice Faure, French secretary of state for foreign affairs, said in a statement to reporters:

"We have reached the end of the first phase of the French-German negotiations. We have prepared clear and precise instructions and have solved the problem. These instructions will enable experts quickly to prepare a treaty."

Faure could not say when work on the treaty will begin.

"We have agreed," he said, "that if the treaty comes into force, the Saar will politically become German on Jan. 1, 1957. A transitional period of three years will then open progressively to bring about the economic and financial reattachment of the Saar to Germany."

Groundwork for returning the 991-square-mile industrial valley to West Germany has been laid in a series of recent elections won by the region's pro-German parties.

The Saar was separated from Germany after World War I and administered by the League of Nations through a commission. In 1935 the Saarlanders voted to return to Hitler's Third Reich. Since World War II the Saar has been nominally an autonomous state, subject to French economic law, currency and customs.

## Rock 'n Roll Dancing Ruled Out By Police

SANTA CRUZ, Calif. (AP)—Rock and roll dancing is out in Santa Cruz by police order.

They say its heavy, pounding beat leads its fans to "highly suggestive, stimulating and tantalizing motions."

Police Lt. Richard Overton explained that he closed a weekend dance at Civic Auditorium because the music "drove to abandon" too many of the 200 teen-agers there.

Rock and roll music may still go on but the public dancing to its rhythms "will not be tolerated in the future anywhere in Santa Cruz," said Police Chief Al Huntsman.

## LODGE NOTICES

## OBITUARIES

### Mrs. Edna J. Lane

Mrs. Edna J. Lane, 72, wife of William A. Lane, died at 2:08 p.m. Monday at the family home, 815 South Engineer.

She was born in Morgan County Feb. 24, 1884, daughter of David and Nannie Cramer, and was married in Sedalia to W. A. Lane on April 6, 1911.

She was a member of the Assembly of God Church.

Surviving are: her husband of the home; three sons and two daughters, Robert Pierce, Sedalia, John Pierce, Jacksonville, Fla., Rolla A. Smith, Sedalia, Mrs. Bessie Higgins, Kansas City, and Mrs. Charles Cramer, Sedalia; two brothers, A. T. Cramer, Sedalia and C. F. Cramer, Channelview, Tex.; 13 grandchildren and four great-grandchildren.

The body was taken to the McLaughlin Funeral Chapel, where at 2 p.m. Wednesday funeral services will be held, the Rev. Floyd T. Buntbach, pastor of the Assembly of God Church, to officiate.

Palbearers will be Lyle Sipes, Bill Dillon, John West, Bill Shepard, Bill Smith and Junior Childs. Burial will be in Crown Hill Cemetery.

### Lucy Elizabeth Karr

Mrs. Lucy Elizabeth Karr, 82, died at her home near Enon, Mo., Monday morning about six.

The daughter of John and Anna Ross Crosswhite, she was born in Monticou County January 1, 1874.

On March 5, 1908, she married Smith Karr, who survives. They spent most of their life at their home six miles east of Enon.

Among her survivors are one daughter, Mrs. Nellie Reynolds, Eldon, and three grandchildren. Funeral services will be from the High Point Baptist Church, High Point, Mo., at 2:00 p.m. Wednesday. The Rev. Lloyd Johnson will officiate.

Burial will be in the High Point Cemetery.

The body will lie in state at the Kidwell Funeral Home, Versailles, until time for the services.

### Jonathon Orvil Cornine

Jonathon Orvil Cornine, 69, Nelson, rural route farmer residing near Lookout, Mo., died unexpectedly Monday morning, June 4, at his home, death being due a heart condition.

He was born July 17, 1886, at Nelson, son of the late Samuel and Marion Louise Cornine, and was married Nov. 13 to Miss Beulah Mayer Yager.

Surviving are: his wife of the home; three sons, Alfred of Nelson, Samuel Lee of Marshall and William Allen Cornine, Booneville; a foster son, Archie Cornine, Jr.; two daughters, Mrs. Harry Stone and Mrs. Cecil Parsley, both of Marshall; three brothers, Harvey C. Sedalia, Louis, Blackwater and Archie Cornine, Nelson; a sister, Mrs. Grace Dial, Marshall; his father, James Samuel Cornine, now 97 years old; 17 grandchildren and 11 great grandchildren.

The body was taken to the Hays-Painter Funeral Home, Pilot Grove to remain until time to leave for funeral services to be at the Berea Christian Church near Nelson at 2 p.m. Wednesday. The Rev. Ira Griffith, Nelson, will officiate.

Palbearers will be Everett Cruetion, Frank Taylor, Junior Nichols, Melvin Bullard, Carl Stone and Charley Hooper.

Burial will be in Berea Church Cemetery.

### Mrs. Effie Adair

Mrs. Effie Adair, 76, 322 West Seventh, died at 6 a.m. Tuesday at the Lakeside Nursing Home, Windsor, after an illness of two years. She was a former resident of Warrensburg. She was a widow of the late Dan Adair.

Surviving are: two sons, Emory Adair, Chilhowee; Albert Adair of Leeton; three sisters in Sedalia: Mrs. Grover Sutton, Mrs. Ruby Wayman and Mrs. Ernest Marshall; another sister and four brothers in Warrensburg and several nieces and nephews.

The body was taken to the Cook Funeral Home, Chilhowee, to await completion of funeral arrangements.

### Joseph Benton Murray

Joseph Benton Murray, 58, died at 8:20 a.m. June 2 in a hospital at Pueblo, Colo., after a lengthy illness.

He was born Feb. 2, 1896, in Morgan County and had made his home at Burlington, Colo., for the past 15 years.

Surviving are: his wife, Mrs. Emma Murray, Burlington; his mother, Mrs. M. A. Murray, Windsor; one sister, Mrs. Jess Mothersbaugh, Dexter; three brothers, Howard, Carrollton; Walter, Long Beach, Calif.; and Vimeil Murray, Windsor; and several nieces and nephews.

He was preceded in death by his father in 1932.

Funeral services and burial were at Burlington.

### Charles R. Lemler

Charles R. Lemler, 61, Joplin, Missouri, died recently at Fayetteville, Ark., Veterans Hospital after an illness of many years.

Mr. Lemler was formerly of Florence, Mo., son of the late Mr. and Mrs. Chris Lemler.

He is survived by his wife, Mrs. Lela Lemler, two daughters and two sons. Also one brother, John Lemler of Florence; five sisters, Mrs. Harry Bremer of Florence; Mrs. Martha Kaiser of Stover, Mo.; Same White of Smithton, Mo.; Herschel Hacker, Colorado Springs,

## Gets Chair For Killing Her Husband

MONTGOMERY, Ala. (AP) — A hefty, auburn-haired waitress who killed her fourth husband with arsenic was sentenced last night to die in the electric chair.

Mrs. Rhonda Belle Martin, 49 and 170 pounds, admitted killing Claude C. Martin and five other members of her family, but she was tried only for the death of her fourth husband.

Her other victims were three daughters, her mother and another husband.

A jury of 12 men deliberated 3 hours and 10 minutes last night before convicting her of poisoning Martin after about a year of married life.

When the verdict was read, Mrs. Martin buried her head in her arms and sobbed.

The woman's attorney based his defense on a plea of insanity. The prosecution countered that Mrs. Martin served arsenic in coffee to her husband in order to "collect some paltry amount of insurance and to get him out of the way so she could marry his son."

Eight months after Martin's death on April 27, 1951, Mrs. Martin married her stepson, Ronald C. Martin, 21 years her junior. He now lies in a veterans' hospital paralyzed by arsenic poisoning.

Ronald Martin's illness, for which Mrs. Martin is under indictment for attempted murder, touched off the investigation that brought to light the series of poisonings.

## City Council

(Continued from page One) and have an ordinance drawn up for it.

Letters were read from E. V. Bishop, city engineer, accepting the construction of Sewer District No. 109 and also curb and gutter on Fair View Court from Olive to New England Drive. The recommendations of the city engineer were accepted.

Other ordinances read for the first time accepting the work and materials of W. A. Rayl and Son for the construction of curb and gutter on Fair View Court from Olive to New England Drive and the work and materials of V. A. Siegel and Sons Construction Co. for the construction of Sewer District No. 109.

Licenses were issued to Jack Austin and Linville Eberting, doing business as the Jockey Club, to sell liquor by the drink; Main Street Drug for retail package liquor; Beverly's Drive-In Restaurant for 3.2 per cent beer; and Orvis W. Crouch and Richard Crouch at 111 West Main for 5 per cent beer. All were issued for one year.

Ordinances were also read for the first time letting contracts for the paving with a hot mix asphalt mat coat on East Fifth from the east line of Lamine Avenue to the west line of Engineer and on Kentucky from the north line of Broadway north to the south right of way of the MKT railroad.

On the motion of Councilman Garrison, all properly approved bills in the amount of \$14,272.46 were ordered paid by the clerk.

In other business conducted, William C. Dick was granted permission to connect to sewer district No. 104.

Colo., and Mrs. A. B. Wagner of Mt. View, Calif.

### Ernest Frederick Rohrbach

Ernest Frederick Rohrbach, 71, California, died at a hospital in St. Joseph on Monday at 6:10 a.m. He had been a patient there the past few weeks.

He was born Jan. 29, 1885, the son of the late Frederick and Carolina Jose Rohrbach, on a farm northwest of California. Rohrbach was a retired serviceman, serving in both the infantry and the Army Air Force. He entered the infantry May 16, 1916, and served in World War I overseas. He was discharged June 4, 1920, and re-enlisted in the Army Air Force July 18, 1928. He served until June 30, 1946 when he retired for physical disability. His rank at retirement was that of technical sergeant in the USAF.

He had lived in California since his retirement. He was a member of the American Legion and the VFW.

Surviving are: two brothers, A. Walter Rohrbach, Bera Beach, Fla., and Col. Richard Rohrbach, Clarksburg; and one sister, Mrs. Louise Lehman, Russellville; 11 nieces and five nephews also survive. He was preceded in death by his parents, eight brothers, and two sisters.

Funeral services will be held Thursday at 2 p.m. at the Wilson Funeral Home in California under the direction of the American Legion. The Rev. E. L. Koch will officiate.

Burial will be in the Alley Cemetery northwest of California.

The body will remain at the Wilson Funeral Home until the time for the services.

### Willis Blackstone Services

Funeral services for Willis Blackstone, 308 West Pettis, who died Saturday, will be at 2 p.m. Wednesday at the Alexander Funeral Chapel the Rev. L. P. Parker, pastor of Quinn Chapel Methodist Church to officiate.

Palbearers will be Case Moorehead, A. R. Young, Steve Gravitt, Forrest Moorehead, William Dunham and Harley Crump.

Burial will be in Glenwood Cemetery.

Among surviving relatives is a stepson, Richard Sanders, Philadelphia, Pa.

## DAILY RECORD

### Future Subscribers

Son, to Mr. and Mrs. Gary Griffin, Smithton, at Menorah Hospital, Kansas City, May 29. Weight, seven pounds two ounces. Named Kelly, Lee.

Daughter, to Mr. and Mrs. Jim Eddy, Ottawa, Kan., June 3, 12:19 p.m. Mr. Eddy formerly lived in Smithton.

### City Hospitals

BOTHWELL — Medical: Mrs. M. J. Ressel, 703 West Third; baby Jean Stillfield, 521 North Engineer; Mrs. Ray McCarty, 1623 East Ninth; Mrs. Fred Thompson, 709 North Quincy; William Thierfelder, 400 East Second; Miss Hope Hieronymus, 407 East 13th; Mrs. Rolla Cordes, 2013 East Seventh; Mrs. John Riley, 1708 West Fifth; Mrs. John Mahoney, 1310 East Tenth.

Tonsilectomy: Kenneth Bersano, 1113 East Broadway; Jennie Dowdy, Ottaville.

Surgery: Mrs. Sam Brown, 1510 South Montauk; Elvis May, 1900 South Stewart.

Dismissed: Mrs. Robert England and daughter, Weathers' Kott; Miss Gayle Sanders, 606 South Osage; Mrs. Adolph Nold, 1716 South Ohio; Elvis May, 1900 South Stewart; Mrs. E. F. Thacker, 1201 South Engineer.

WOODLAND — Surgery: Mrs. Denal Sedlak, Lawrence, Kan.; Mrs. Goldie O. Edwards, 2509 East Broadway.

Tonsilectomy: Kathleen Gardner, 7, daughter of Mr. and Mrs. M. E. Gardner, Knob Noster.

### In Other Hospitals

James Franklin Willis, 15-year-old son of Mr. and Mrs. John Willis, Barnett, was admitted to Children's Mercy Hospital June 1. He was taken to surgery in the late afternoon to have his appendix removed.

Buddy Raymond Esser, 11-year-old son of Mr. and Mrs. Elmer Esser, 305 East 26th, was admitted June 2. This boy injured his left elbow in a fall.

Pamela Jean Piers, 11-year-old daughter of Mr. and Mrs. Basil Piers, Route 4, was dismissed June 2. She was admitted May 7.

### Police Reports

Harry J. Arnold, 1601 South Engineer, reported someone stole his trailer license, 867-306. If found phone 504-W.

The southeast window to B&B Cleaners, 710 West 16th, was found open. Officers closed the window.

The south overhead door to the Shell Service station, Main and Missouri, was found open. Officers closed the door.

A prowler was reported at 2400 West Broadway. Officers investigated but the prowler had gone.

### Police Court

Charlotte Beard, 401½ East Second, forfeited \$2 bond, on a charge of parking in a restricted zone.

William N. Christenburg, Kansas City, was fined \$50 on a careless and reckless driving charge.

Ten persons forfeited \$1 bonds for overtime parking.

### Circuit Court

Helen C. Bodenhamer filed a petition Tuesday against Gus F. Bodenhamer on grounds of general indignities. Lamm and Barnett are attorneys for the plaintiff.

Frank W. McPhillips, of New York State, filed a petition for \$150,000 damages against Frank Roy Clark, Florida. McPhillips alleges he was injured in an accident 3.9 miles south of Highway 50 on Highway 127 and due to the injuries will be deprived of a salary totaling \$90,000.

### Magistrate Court

Ronald L. Summar, Kansas City, was fined \$25 and costs Tuesday morning on a charge of passing on a hill. Summar pleaded guilty.

### Retail Sales Tax Continues to Climb

JEFFERSON CITY (AP) — Collections of Missouri's retail sales tax continued to climb the first three months of this year despite reports business is beginning to be hurt by low agricultural incomes.

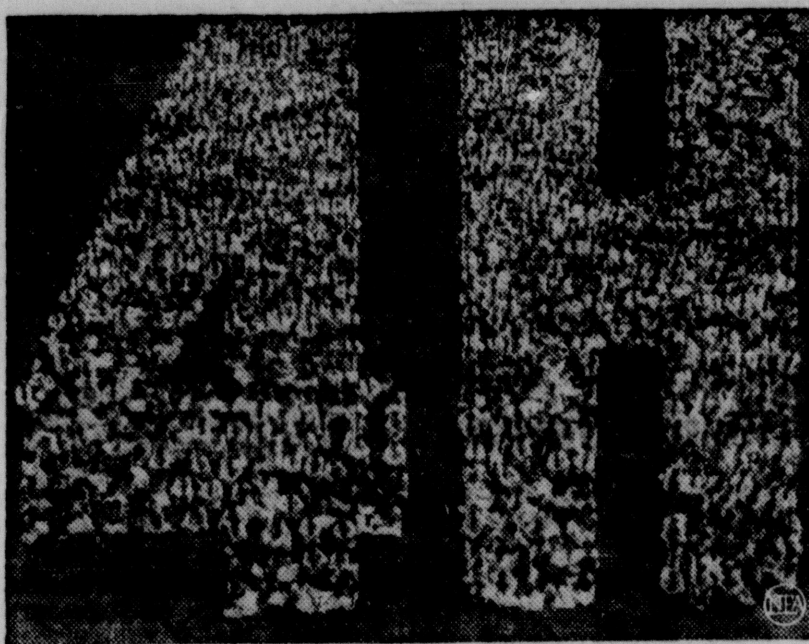

The State Department of Revenue reported yesterday the first quarter's collections added up to \$23,342,107, an increase of \$1,236,208 over the same quarter in 1955. If the increased revenue continues the state can expect well over \$100 million this year from its best money producer.

Last year the two per cent tax on sales produced slightly more than \$98½ million.

L. M. Chiswell, sales tax collector, predicted a downward trend still is in the offing, however, because "business in regions primarily dependent on agriculture is adversely affected at this time."

### Mother of Robert Hill Succumbs in Columbia

COLUMBIA, Mo. — Mrs. L. E. Hill, 86, mother of Robert E. Hill, executive secretary of the Missouri Bankers Assn. died at a hospital here last night. Funeral services will be held here tomorrow afternoon.

**BIG LETTER DAY**—The giant symbol, shown above, was formed by most of the 1,300 Kansas 4-H club boys and girls at the 32nd annual 4-H Roundup at Manhattan, Kan. Photographer Floyd J. Hanna, who made the picture, only found out exactly how many were in the picture when he made a print for each of the participants.

## Western Areas Get Wet, Windy, Cool Air

By THE ASSOCIATED PRESS

Pleasant weather prevailed in most of the eastern third of the nation today but it was wet, windy and cool in some Western areas.

Strong westerly winds, with gusts up to 40 m.p.h. sent cool air into western Montana, Idaho and Nevada. It was below freezing at Mullan, Pass, Idaho, with 1 inch of new snow on the ground.

Temperatures dropped far below normal levels as the cold air spread across the three states. It was 42 at Boise, Idaho, compared with 66 yesterday morning.

Rainfall in the cold belt was generally light. Scattered showers and thunderstorms were reported in the central Rockies and Southern Plains. Severe thunderstorms rumbled across north central Oklahoma and headed northeastward into Kansas. Light showers fell in sections of the lower Great Lakes.

Hot weather continued across the South from Texas to the southwest desert region with temperatures in the 90s and above 100 yesterday. Top mark was 109 at Presidio, Texas.

## First Mass

(Continued from page One)

Raymond Weller and John C. Ohms. Mrs. H. J. Witte, Sr., and daughter, Zita Marie, came from De Soto, Mo. and Mrs. James Wooster, Clinton; and Mrs. Robert McHugh, Port Townsend, Wash.

At the reception in the afternoon from 3:30 to 5, at which well over a hundred signed the guest book, six of the classmates of Father Barsch in the class of 1948 graduated from Sacred Heart High helped with the serving. They were Mrs. Herbert (Frisick) Hall, Jr., Mrs. Joe (Behrens) Imhauser, Mrs. Glen (Brosch) Ward, Mrs. B. W. (Bishop) Moore, Mrs. William (Burlette) Nicholson, and Mrs. C. W. (Stimpfel) Summers.

Other members of the class of 48 were Mesdames Rene (Bohon) Coffelt, Joan (Reed) Simonnet, Mary (Conney) Miller, Barbara (Meier) Gobel, Georgiana (Holder) Keele. The boys who were in the class of 1948 with the now Father Barsch were Donald Eschbacher, James Weimholt, Charles Bolton, Joe Imhauser, Arthur White, Edward Bahner, Philip White. The Sacred Heart gymnasium was arranged and decorated for the occasion by Miss Mary Helen Mayer.

On the gift table were displayed some of the gifts to the newly ordained priest; notably his beautiful chalice, of hammered silver with the lining of the cup of the chalice and a deep outer rim of gold designed and made by a friend; and the matching paten of gold. These were gifts of the parents and immediate family of Father Barsch. Other beautiful gifts from relatives and friends were a gold pax and a complete sick call set, and a leather pax purse, a benediction stole and burse, a hand-woven cincture and a Latin-English ritual book. Other gifts were a camera, a gift of Father Barsch's brother, Louis, who attends St. Louis University, and a number of books from friends. The class of 1948 gave their newly-ordained former classmate two pieces of handsome luggage.

Among those who had planned to attend the First Mass activities of Father Robert Barsch, but who were prevented by various circumstances were: Rt. Rev. Monsignor Edward Rogers of St. Louis, Rev. William P. Stack, C. P. P. S. former assistant pastor at Sacred Heart Church from 1942-1947, the "pioneer" days of Sacred Heart High when the now ordained Robert Barsch attended school. Father Stack is now stationed at St. Edward's Church in Cleveland, O. He was prevented from coming by the fact that the graduation of the high school where he teaches held graduation exercises on June 3. Father Barsch's two brothers now in the service were unable to attend. Sgt. Edward Barsch is stationed with the Army in Stuttgart, Germany and Wilfred Barsch is in a hospital suffering from a liver infection which he contracted while stationed on the aircraft carrier, U.S.S. Intrepid, which is cruising in the Mediterranean at present. Father Barsch's only sister, Mrs. Christina Reubio, was also unable to attend.

## Governor Warns Against Voting Older Citizens

WASHINGTON (AP)—Gov. Robert B. Meyner of New Jersey said today that unless the nation does more to solve the problems of its older citizens, they "may be agitated into political action by our neglect."

Meyner declared those so ignored might vote into office candidates "who made rash promises of financial help which could prove disastrous to our national economy."

The New Jersey governor, a Democrat, addressed the opening session of a three-day conference cosponsored by the Federal Council on Aging and the Council of State Governments.

Meyner said in his prepared text that the country has "neglected ... this vast population of older people, many of whom, because of our neglect, are living lives that are isolated, lonely and useless."

He said "if we continue to disregard, or to force into early retirement, or to place in mental hospitals, the army of aged in the United States today, these people shall be heard from."

"Politically," he said, "we cannot afford to deal lightly with the problem of more than 13 million people over the age of 65."

Payments to persons over 65 now total six billion dollars a year, Meyner said, and estimates are that by the year 2,000 the annual cost of the federal old age and survivors insurance will be 20 billion dollars.

## Legion Post Elects Convention Delegates For State, District

Legion Post 16 elected delegates to the district and state conventions at its regular meeting Monday. District convention will be held at Marshall on July 15 and State convention will be held July 27 to 29 at St. Joseph.

Delegates elected were: Fred Rose, Frank Piper, Al Gorsett, Elmer Winfrey, Walter Loveland, Whittier Johnson, August Walker, David Kirby, and Russell Ulmer for district. State delegates are Frank Piper, Fred Rose, Art Brill, Vernon Ditton, Charles Scruton, David Kirby, Roy Conn, Walter McMellen, and Walter Loveland.

Commander Fred Rose thanked Elmer Winfrey for the work of the wrestling match committee and those who helped put flags on veterans' graves on Memorial Day.

## Moist Air Will Keep Temperatures Humid

KANSAS CITY (AP)—A band of moisture laden air moving northward will keep skies overcast and the air warm and humid in Missouri through tomorrow.

Scattered showers and thunderstorms are expected northwest and extreme west tonight and in the west and north tomorrow.

Overnight readings should range between 60 and 70 degrees, with tomorrow's mid-afternoon readings in the 80s.

Minimums today included: Farmington 53, Kirksville 57, Malden and West Plains 58, Columbia and Rolla 60, St. Louis 61, Springfield 62, Joplin 66 and Kansas City 70.

## A. J. Campbell, Jr. Graduates June 13

Dr. and Mrs. A. J. Campbell, 319 East Broadway, leave Wednesday for St. Louis from where they go by plane to Philadelphia, Pa., to attend graduation of their son, A. J. Campbell, Jr., at Pennsylvania University Medical School. The commencement ceremonies will be on Wednesday, June 13 and following them the young medical man will take his internship at Ann Arbor, Mich.

## Mrs. May Howe Retires From Teaching School Here

Mrs. May Howe, 1417 West 11th, has retired as a public school teacher and left Saturday for Phoenix, Ariz., where she will reside with her daughter, Mrs. A. K. Henderson, 1400 West Adams, in Phoenix. Mrs. Howe could have followed the profession she so loves another year had her health permitted, but she believes the Arizona climate will help her to regain her health.

She has taught school for 28 years, 22 of which have been in Pettis County. Mrs. Howe began her teaching career in 1904 when she had finished her second year in high school and she received a salary of \$32.50 per month. She taught for four years and then married, making her home in Iowa. When the youngest of her three children, Violette, who is now Mrs. Henderson, plus Leonard, now living in Chicago, and Lorna, who is Mrs. E. D. Sutherland, a nurse at Bothwell Hospital, were old enough to enter school, she could no longer resist the call of the school bell and went back to teaching.

Mrs. Howe accepted a position in her own community and took her children with her. They went back and forth to the school with a horse and buggy except when the snow was too deep, then they went on a sled. By this time the wages had risen to \$70 or \$80 per month.

When her children were ready for high school the family moved to Sedalia and Mrs. Howe bought a model T Ford and really rode in style. She then taught at High Point and other rural schools near Sedalia.

Eventually the Ford wore out, the children married and Mrs. Howe took a room near the school and kept on teaching. She got to her school by walking or rode a bus.

Realizing that it was going to take more education to keep on teaching, Mrs. Howe went to Miss Martha Letts, high school principal, and asked if it would be possible for her to take a course out of high school. Miss Letts was glad to arrange such a course for her. The next year Heber Hunt came to Sedalia as the principal of the high school and Mrs. Howe went to him, asking that she might complete her senior year. He agreed. During the two years she took quarterly tests. He wanted her to don cap and gown and graduate with the rest of the class, but all she wanted was her high school diploma.

During the depression years, Mrs. Howe went into adult education work through the WPA and served as county supervisor with 17 teachers in the county working under her. The courses ranged from literacy to French, elementary and high school subjects, with emphasis on parent education and vocal expression. There was also art.

She carried on this work from January, 1936, to September, 1938. It was in May of 1936 that she received the following letter from Alfred C. Moon, director of education, Federal Works Progress Administration, Jefferson City.

"Dear Mrs. Howe: 'I wish to thank you for the fine letter you wrote on May 23 about our adult education program. More than that I wish to thank you for the fine leadership that you have shown and the splendid work that has been done by your group in Pettis County. With leaders throughout the state who carry the same inspiration that you have, we can sell adult education so thoroughly that it will be placed upon a permanent basis in this state. Then, you and I and others will be able in the future to look back and say that we helped establish this added field of education.'

Several articles appeared in the newspaper about the work being done by Mrs. Howe and others in the adult education work.

It was in 1938 that Mrs. Howe again went back to teaching in the public schools.

Perhaps the thing that she is proudest of in her years of teaching was when, during the summer months one year while she was in the WPA work, she fixed up a room of her home and taught youngsters who for some reason were deprived of the privilege of attending school. Crippled children and those with other afflictions who had never gone to school were sought by Mrs. Howe. They ranged in age from 8 years to 21. She taught them throughout the summer and did it without pay. It was pay enough to see how grateful those children were and how eager they were to learn. Most of them could not even read or write. One boy who could not walk was brought there in a taxi and the taxi driver would carry him in and carry him back again after the class was over.

Knowing what grade cards mean to the children she taught in regular school, Mrs. Howe fixed grade cards for these children, too. They were delighted with them, and one boy kept showing his card. 'A grade card,' he would say. 'I've got a grade card just like my brothers and sisters.'

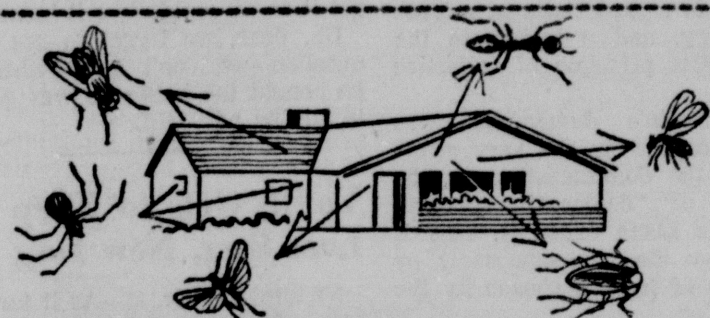

One of Mrs. Howe's daughters, Violette, followed the teaching profession, too, and taught for 11 years.

Now the years of teaching are behind her and Mrs. Howe recalls the words of a speaker she heard at the State Teachers Convention in St. Louis last November: 'The goals of education should be the five R's instead of three, reading, 'riting, 'rithmetic, right and 'rong. Souls, minds and hearts should be educated.'

'That is the way I feel, too,' said Mrs. Howe said.

Yes, behind her are the many teaching years, those she has taught throughout the years and the many friends she has made in the community and she hopes that some of them will think of her now and then and write to her as she adjusts to her new life in her new home in Arizona.

Kentucky's bituminous coal mines produce about 64,000,000 tons annually.

## New Industry Gives Assist To Coal Men

By SAM DAWSON  
PITTSBURGH (AP)—The once ailing American coal industry first hit the comeback trail by meeting the needs of Western Europe. But today it is finding a new lease on life in its own back yard.

All along the Ohio River, starting here and running to the Mississippi, new industrial plants are rising at costs totaling billions of dollars. Almost all are big users of coal or of the electric output fueled by coal.

Coalmen now talk of a total production of 500 million tons this year compared with 450 million last year, and less than 400 million in 1954.

The U. S. Coal Exporters Assn. says exports of American coal last year was around 35 million tons, more than double the 1954 volume.

Domestic use is rising this year—sparked by the capacity output of the steel industry, the growing use of coal by the expanding electric power utilities, and by the fast industrial pace in general.

A spokesman for Pittsburgh Consolidation Coal says the only big shadow over the coal industry at the moment is the threat of a steel strike. A strike lasting a month would hit the coal industry seriously. But barring that, coalmen see good times ahead for them in this Ohio Valley, enjoying a big industrial boom.

The Federal Reserve Bank of Cleveland says the trend is to "move the coal consuming plant to the coal-electric power companies are building new generating facilities practically on top of the coal beds."

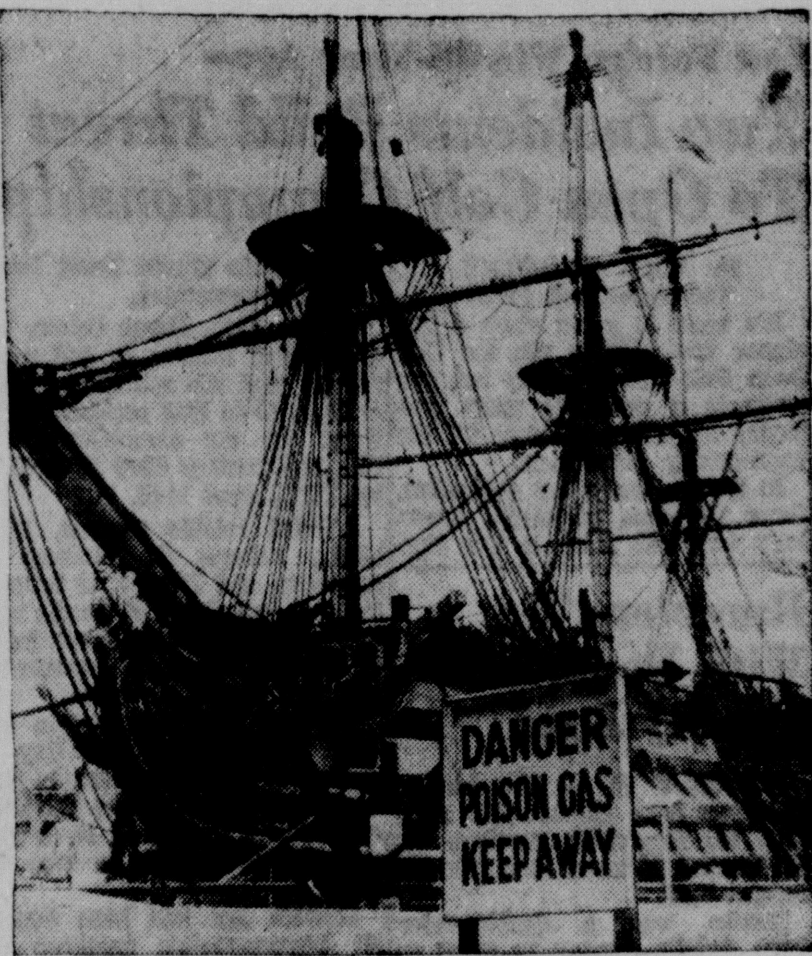

New power stations are popping up all along the Upper Ohio and the aluminum and chemical industries also are moving there. The Atomic Energy Commission chose Portsmouth, Ohio, as the site of its huge atomic energy plant partly because of the nearby coal to supply its electric needs.

Another lure for companies to build new plants along the Ohio is the cheap transportation afforded by river barges.

In Washington, defense planners smile in the projects, since they mean a dispersal of industries once concentrated in the older industrial centers, a goal of the military in planning for possible air attack.

## Takes Senior Trip

The senior class of 1956 of the Sweet Springs High School spent a week in New Orleans on their senior trip. They left Sedalia by train to St. Louis where they chartered a bus for the trip. The group secured funds by washing cars and selling old newspapers.

**GAS WARFARE**—A modern military weapon comes to the aid of an ancient war vessel in Portsmouth, England. Lord Nelson's historic flagship, H.M.S. Victory, is pumped full of poison gas and her hull sealed off to kill death-watch beetles eating at her timbers. Fumigation by methyl bromide gas is carried out periodically.

## Young Engineer Confesses Work Of Phantom Crew

DETROIT (AP)—The engineer of a phantom train crew that spirited a diesel engine and string of box cars from under the noses of railroad yard hands has turned out to be a 16-year-old model train enthusiast. He gave himself up last night.

The boy, whom police identified only as a Detroit high school student, and his two "firemen" spent more than two hours highballing through a maze of complicated switch tracks early Sunday. They added nine extra box cars from three sidings before they brought the stolen diesel back to the West Side yard.

Railroad detectives knew of the theft but couldn't spot the culprits in the 20-mile run.

"I'm a model train enthusiast," police quoted the youth as saying. "I used to hang around the Grand Trunk roundhouse in Pontiac, (Mich.) and got to know the engineers and a lot about the engines."

He told police he suggested to his pals it might be fun to swipe an engine.

"I knew how to operate it," he said. "and my friends who came along for the ride made good switchmen after I told them how to do it."

"We slipped out of the yard on

## Democratic Platform Drawn Before Meeting

CHICAGO (AP)—Democratic Chairman Paul Butler says the party's Platform Committee will convene a week before the 1956 national convention "to get substantial agreement on civil rights."

He told a news conference yesterday he is confident a civil rights plank acceptable to Northern and Southern Democrats will be drawn up during the pre-convention deliberations.

"Democrats," Butler declared, "will not have any difficulty with the platform."

The drafting committee will meet Aug. 6, one week before the convention opens for business Aug. 13 in Chicago's International Amphitheatre.

Butler said it was "the first time in party history" that the Platform Committee would meet a full week before the convention opened.

"It is expected," he said, "to get substantial agreement on civil rights before the convention opens."

the heels of another train," the youth said.

Police said the boy will be turned over to his parents to appear before juvenile authorities today. His "crew" they said will be picked up for questioning.

## Mr. and Mrs. Estes Had Anniversary

By Mrs. Herbert Hansen  
LINCOLN — Mr. and Mrs. Clarence Estes celebrated their 27th wedding anniversary, Sunday May 27. Dinner guests were Mr. and Mrs. Frank Ambrosich and children, California; Mr. and Mrs. Russel Hedrich and family, Kansas City; Mr. and Mrs. Jim Meuschke and Mrs. Goldie Estes and daughter, Warsaw. Afternoon visitors were Mr. and Mrs. E. E. Estes, Warsaw and Mr. and Mrs. Sam Byrum and daughter, Frisco.

Mr. and Mrs. Amos Owens and two children are moving to Ft. Scott, Ark., in a trailer home. They plan to live in Ft. Scott, where he is employed with the Missouri Pacific, until fall.

Marland Kennamon and Miss Charline Brooker were married by the Rev. R. Rash at the home of his sister, Mr. and Mrs. Bob Gosser May 27.

Miss Faye Van Valkenberg is spending her vacation at her home in Lincoln this summer. She has taught school the past five years in Amsterdam and will return there this fall.

Wayne Attwood and Jim Morarity have enlisted in the Air Force and are taking their basic training at Parks AFB, California.

The Lincoln Lions Club sponsored an ice cream social June 2.

J. H. Stober had as weekend guests, his daughter, Mr. and Mrs. Al Neumeier and son, Kansas City.

G. C. Richter and Mr. and Mrs. Leo Eken and daughter had visitors from Iowa and Kansas last week.

Misses Johana and Pauline Kreissler entertained dinner guests May 26, the following: Mr. and Mrs. Paul Kreissler, Anquit Jackel, Mr. and Mrs. Johnie Harms and son, L. H. Kreissler, Mrs. Norman Schrick and children, Warrensburg; Mr. and Mrs. Ewald Weigert, Cedar Rapids, Ia.; Mr. and Mrs. Archie Kreissler and daughter, Lee's Summit and Mr. and Mrs. Emmitt McGrady, Mrs. Lorenz Kreissler was an afternoon visitor.

Mrs. Don Aery and Mrs. Henry Keseman, food leaders of the LHM Extension Club, attended the leaders training meeting on "Do-It-Ahead Meals," May 21 in Warsaw.

Mrs. Ernest Hurman returned home after a week visit with her son and family in Tulsa, Okla.

Mrs. R. H. Beck visited several days with her daughters and families in Jefferson City and a daughter.

Mr. and Mrs. John Hansen and son left Sunday for a visit with

ter and family in Alton, Ill., Mr. and Mrs. Winford Roehls and daughters, who will move to Miami, Fla., where he will be employed with Eastern Airlines.

Mr. and Mrs. Herman Schroeder and family entertained May 27 with a dinner in honor of his birthday. Guests were, G. C. Richter, Mr. and Mrs. Melvin Schroeder, Kansas City; Mr. and Mrs. Nelson Eklers and children, Denver, Colo.

Mr. and Mrs. Harold Schlicht and daughter, Mrs. Amanda Schroeder and son, Mr. and Mrs. Ed Meisner, Mr. and Mrs. Paul Harms, Mrs. Maggie Bohling and Rev. Beck.

Sunny Side Church, west of Lincoln, held its annual homecoming Sunday in observance of Memorial Day.

Mr. and Mrs. John Hansen and son left Sunday for a visit with

**THIRSTY GROUND**—Farmer L. Staggs stands in the bone-dry bed of a pond on his farm near Unionville, Mo. Spring rains that have eased drought conditions in most of rain-starved Missouri have missed the hard-pressed northern counties near the Iowa border. State Commissioner of Agriculture L. C. Carpenter, right, looks on as Staggs tells him, "We are out of pasture and out of water."

## Onetime LA Newsboy Is Catholic Bishop

LOS ANGELES (AP)—A onetime Los Angeles newsboy has been consecrated a Roman Catholic bishop. The Most Rev. Aldon J. Ball was consecrated yesterday in St. Vibiana's Cathedral, where he was ordained in 1932. James Francis Cardinal McIntyre officiated.

their daughter and her husband, Mr. and Mrs. Merlyn McCown at Mountain View, Calif.

Dickie Hare and his sister have returned to their home in Carrollton after visiting with their grandmother, Mrs. Clara Hare, while their parents, Mr. and Mrs. Gail Hare, went on a fishing trip.

Mr. and Mrs. John Hansen and son left Sunday for a visit with

## Dam Breaks Smashing Bridges, Highway 40

GEORGETOWN, Colo. (AP)—A 60-foot section of dike at Georgetown Dam burst yesterday losing a boiling torrent down Clear Creek Canyon.

The deluge, touched off by rapidly melting snow, smashed out at least nine bridges, washed away a 100-foot section of U. S. 6-40, injured one man and caused damage estimated at more than \$200,000.

A 140-mile stretch between Georgetown and Idaho Springs, a resort town below the dam, took the brunt of the swirling waters, laden with timbers and other debris. Idaho Springs is 34 miles west of Denver.

Early warnings by state, coun-

ty and federal officials were credited with averting possible loss of life.

A daytime temperature of 100 degrees Fahrenheit in the Sahara desert may drop below freezing that same night.

## Curves and Coiners

"I'd return his ring, but I hate to give back those guaranteed US Royal recaps he bought me at NAGEL'S for only half the price of new tires."

Of course...  
it costs a little more  
than other  
straight bourbons  
...but this is  
Old Taylor 86

How can Old Taylor 86 cost considerably less than our 100 proof bonded bourbon—and only slightly more than most other 86 proof straights?

The reasons are simple.

Old Taylor 86 is exactly the same in quality as our 100 proof bonded bourbon. It costs you less, only because of lower taxes.

Yet even in this milder, gentler proof, Old Taylor quality is unchanged—rich, mellow, and deeply satisfying.

That is why Old Taylor 86 must cost slightly more than some straight bourbons, but money can't measure the difference in taste.

## Clean Rest Rooms Ahead!

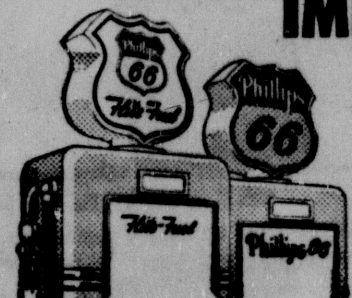

● Clean rest rooms help make Phillips 66 Stations the favorite stopping places of increasing thousands of motorists.

To Phillips 66 Dealers, "Hospitality on the Highway" means more than just filling your car's gas tank or checking the oil. Along with clean rest rooms, it means having your car brushed out, getting the windows cleaned . . . and special attention to your battery, tires and radiator. It means friendliness, courtesy, the desire to please you.

Your Phillips 66 Dealer believes that in the service he gives, as well as in the products he sells, "It's Performance that Counts." Drive in to his station soon.

It's Performance that Counts!

IMPORTANT OCTANE BOOSTS in BOTH Phillips 66 Gasoline and

Flite-Fuel

Quality-controlled Phillips 66 Gasolines keep pace with today's high compression engines. Enjoy the higher octane rating specially blended with the extra clean-burning qualities and famous controlled volatility of Phillips 66 Gasoline and FLITE-FUEL. Treat your car to a truly fine motor fuel at your Phillips 66 Dealer's, and you treat yourself to top performance every mile.

PHILLIPS PETROLEUM COMPANY

## Moore Puts Up His Title For Last Time

LONDON (AP)—Archie Moore puts up his world light heavyweight title for the last time tonight in a fight which either opens the gates for another heavyweight title chance or closes the books on a long and fine ring career.

The aging and running-to-fat light heavy champion takes on Yolande Pompey, a hard-jawed Trinidad Negro with a weak record but plenty of hitting power.

Moore admits to at least 39 years of age although some records have him two and three years older. He took a heavy beating last September in losing to Rocky Marciano in his first heavyweight title shot.

Nat Fleischer, boxing's historian and record keeper, as well as other ring officials and authorities, have said that if Moore loses he hardly will have time to regain the lost ground before very advanced fighting age puts him down for the final time. He has no rematch clause in his contract with Pompey.

But, they also say, if he whips Pompey the momentum and good conditioning gained here should carry him into a world heavyweight fight in fine fettle.

Moore has been fighting since 1936. On the record he has been into the ring 148 times and his record of 15 losses and only five defeats by knockouts stands as one of the all-time best.

Pompey, at 27, is a little boy compared to Moore. Pompey's 35 fights include 21 knockout victories, nine by decision, one on a foul, two draws and two defeats.

## British Golfer Wins American Tournament

DALLAS, (AP)—Peter Thomson, the sturdy Australian who dominates British golf, showed Americans a thing or two about stretch running yesterday when he won his first tournament in the United States.

The cheerful young man from down under came from a tie for fourth place with a 7-under-par 63 to deadlock with Cary Middlecoff and Gene Littler for first place. Then won a playoff and first money in the \$70,000 Texas International Open.

Thomson picked up a check for \$13,478.

A 26-year-old two-time British Open champion from Melbourne, and Littler tied over the regulation 72 holes at 267. Then on the second hole of a sudden death playoff, the Australian sank a 12-foot putt for a birdie while Littler and Middlecoff came off with par.

Thomson's winnings have brought his total for the year to \$15,963 and made him fourth in the nation.

Littler started the final round with 197 for 54 holes—a 2-stroke bulge over Middlecoff. However, he took a par 70 on his last round while Middlecoff had a 68. Thomson's 63 tied the record for the 6,216-yard Preston Hollow Country Club course.

But while Littler wound up in a tie for second he went into the lead in money winning. He brought his total for the year to \$17,373.42. Middlecoff went into second place with \$17,029.66. Dow Finsterwald, who was the leading money winner before this tournament, had 278 and earned \$610 to make his total \$16,861.85, good for third place.

## Bill Arnold Pitches For Athletics Tonight

The Sedalia Athletics will play Columbia this evening at 8 o'clock at the Liberty Park diamond, with Billy Arnold making his first appearance on the mound for the local team. The Athletics have a 2-1 record, while the Columbians have only one loss out of five.

Maryland Ranks Sixth  
BALTIMORE, Md. (AP)—Maryland ranks sixth in attendance and in pari-mutuel wagering among the 24 states where racing is conducted.

## Settle LEAGUERS

Jaycees minor league team will meet at Vermont Park on Wednesday at 5:30 p.m.

The Lions minors will practice at 9:30 a. m. Wednesday at the Little League stadium.

## Moose Drop IOOF; JCs Top Griesedieck

The Moose Club softball team dropped the Odd Fellows Monday night at Housel Park in the first of two Industrial League games, 23-12, and in the second game the Jaycees walked away with a 7-0 win over Griesedieck Beer.

The Moose Club was ahead from the start, leading 7-4 in the first inning and then going for a 13-run holiday in the second. They had four errors to the Odd Fellows' seven. Fisher was the winning pitcher, relieved by Hoover in the second and Young in the third. Losing pitcher was Hurt, relieved by Lawson in the second. Both teams scored two home runs each — Young and Hill for the Moose and D. Johnson and Lawson for the Odd Fellows.

In the second game, Jaycee pitcher George Thompson allowed Griesedieck only two hits, while the Jaycees hit eight for seven runs. They made only one error, while Griesedieck made three. Losing pitcher was Birdsong, relieved by Woodward in the fourth.

Tonight the Jolly Welders will play Hamm's Beer at 7 and Tom's TV Service will play Meadow Gold at 9.

## Shuffle Continues In Middle Class Rank

By THE ASSOCIATED PRESS  
A fast shuffle continues in the middle class ranks of the American Assn.

Now it is Louisville standing fourth, 9½ games off the pace of the league-leading Denver Bears, while Omaha finds itself in fifth.

The switch came on Louisville's 7-5 triumph over Minneapolis Monday night as Omaha bowed to Wichita, 11-9. Denver fattened its lead over runnerup Indianapolis to 7½ games with an 8-5 victory over the Indians, and Charleston stopped St. Paul, 4-2.

## Sedalia's B-J Team Loses Two Games to Mexico

The Sedalia Ban Johnson team lost both its games to the Mexico Ramblers Sunday, 3-2 and 2-1, in two close heart-breakers that put Sedalia's record at 4-4.

In the first game, Sedalia gave up a run to the Ramblers in the second but came back in the fourth with two runs to lead. Mexico evened it up in the sixth and scored the winning run in the seventh. Rittman was the winning pitcher, Hayob the loser.

In the second game, both sides were scoreless until the bottom half of the fifth, when Mexico scored one run. It repeated in the sixth. Sedalia came back with a run in the seventh, but the locals couldn't tie it up. McNamara was the pitcher for Mexico, and Kubli was on the mound for Sedalia.

## Boyer, Mizell Bring Cardinals One From First

By THE ASSOCIATED PRESS  
Here are two of the biggest reasons for the St. Louis Cardinals' jump from a seventh place club last year to a contender one game out of first in this year's race: Ken Boyer and Vinegar Bend Mizell.

Boyer has become the slugger and Mizell the stopper for the Redbirds.

Both came through again Monday night as Boyer drove in five runs with a homer, two doubles, and a single, and the big Alabama farm boy went the route for an 11-5 victory over the New York Giants.

Mizell, hard-firing 6-foot 3-inch lefthander from Vinegar Bend, Ala., now has four straight victories, all of them complete games, and a 6-2 season record, best on the staff.

Boyer zoomed five ahead of Pittsburgh's Dale Long in the National League RBI race and now is the leader with 46 to Long's 41. Stan Musial is third with 36.

Boyer's homer, a two-run blast in the first, was his 13th, only five less than he hit all last season as a rookie. He's batting a robust .369 as the club's cleanup hitter.

The Redbirds pounded 15 hits off four Giant pitchers. A three-run homer by Foster Castleman and a two-run homer by Rookie Bill White scored all the Giant runs. Mizell retired the last 15 batters in a row.

The Kansas City Athletics had an open date. The A's meet the Yankees tonight at New York.

## Central Missouri Women Golfers Begin Tourney Here Today

The first leg of the Central Missouri women's inter-city golf matches is on tap today at the Sedalia Country Club.

Teams competing will be Sedalia, Jefferson City, Fulton and Columbia.

Columbia is the defending champion. Members of the Jefferson City team include Mrs. Sam Cook, Mrs. Phil Dallmeyer Sr., Mrs. Paul Leslie, Mrs. Fred Frits, Mrs. Ray Alldridge, Mrs. Paul Sheley, Mrs. Don Kennedy, Mrs. W. A. Swearingen, Mrs. Lester Frank, Mrs. O. W. Raithe Jr., and Mrs. Clyde Garvin.

## Gonzalez Gets Bazooka As Biggest Victory

NEW YORK, (AP)—Tony (Tex) Gonzalez defeated Hardy (Bazooka) Smallwood in a bruising 10-rounder last night for the "biggest victory" of his career.

Tex, a promising 23-year-old East Orange, N. J., middleweight almost won in the first round when he floored his Brooklyn rival with a barrage, climaxed by a left and right to the jaw.

Gonzalez, outweighed 160½, to 158½ and a 6 to 5 underdog, also staggered Smallwood in the third, eighth, ninth and tenth rounds enroute to his unanimous decision in a telecast bout at St. Nicholas Arena. Smallwood was cut over and under the left eye and bled from the nose.

# SPORTS

MAN TO WATCH—Sammy Sneed explodes onto the 13th green during the first round play of the \$70,000 Texas International Golf Tournament at Dallas, en route to a three-under-par 67 for the first round. On top of the play at day's end were Cary Middlecoff, Gene Littler and Bill Casper Jr., all with 64's. (NEA Telephoto).

## Question Is, How Long Can White Sox Recovery Last?

By ED WILKS  
The Associated Press

The Chicago White Sox have gained a little weight and appear recovered from their most recent attack of Yankeeitis, but the question is—how long can it last?

Manager Marty Marion's crew looked just as healthy a couple of weeks back. They had won six straight and edged to within 1½ games of the American league-leading New Yorkers. Then the Yankees laid 'em low, winning three in a row and touching off a five-game losing streak for the Pale Hose. Before it ended they were 6½ games behind and in fourth place.

Since then the White Sox have won 9 of their last 12 and 6 of their last 7 while the Yankees were losing 6 of 13.

Chicago continued to fatten up at Baltimore last night, trimming the Orioles 13-4 and cutting the Yanks' lead to four games. Cleveland, in third, is only 4½ back, having defeated Washington 7-0 in the only other game scheduled.

In the National, Pittsburgh slipped into first place while enjoying a day off as Sal Maglie and Brooklyn's Dodgers combined to dump the Milwaukee Braves out of the lead 3-0. The Braves now trail by a full game—as do St. Louis, an 11-5 winner of New York, and Cincinnati, an 8-2 winner over Philadelphia.

Billy Pierce had only a slight bit of trouble gaining his seventh victory for the Sox. He allowed only two hits for seven innings, then gave up all four Baltimore runs in the eighth on four hits and two walks. Sandy Consuegra relieved for the final 1-3 innings.

Mike Garcia got the job done for the Indians with the help of

home runs by rookie Earl Averill and Jim Busby and three runs batted in by Vic Wertz. The big bear struck out 12 for a 4-5 record and his first shutout since last Aug. 24.

Maglie had to go back farther than that to find his last shutout. The ex-Giant right-hander hadn't blanked anybody since April 25, 1934, and hadn't won since last July 2.

He got right with a neat three hitter — allowing none after the fourth inning — while the Brooks battered Lew Burdette for seven of their nine hits. Brooklyn had a walk, sacrifice, infield out and Randy Jackson's single for a first-inning run, then got two in the eighth on homers by PeeWee Reese and Gil Hodges.

Maglie was the man, however. He walked only one, with two out in the ninth, and struck out five.

Ken Boyer led the free-swinging Cards, hitting a home run, two doubles and a single in five trips for five RBIs as Vinegar Bend Mizell won his sixth. Only catcher Bill Sarni, center fielder Bobby Del Greco and Mizell failed to contribute to St. Louis' 15-hit barrage on loser Don Liddle and three relievers — and everyone else had at least two hits. Wally Moon also homered.

Art Fowler had the Phils blanked on two hits until the ninth, when Del Ennis lined a two-run single. Ed Bailey homered with two on and Roy McMillan provided a two-run triple for the Redlegs. Saul Rogovin lost it.

Sonny Still Looking  
LOUISVILLE, Ky. (AP)—C. V. (Sonny) Whitney is still looking for his first Kentucky Derby victor. He has been unsuccessful with entries 10 times in the Blue Grass classic.

## Last Foreign Win 36 Years Ago—Two Incidents Build Threat To Open Golf Championship

By WILL GRIMSLEY  
The Associated Press

It's been 36 years since a foreigner was able to win the U.S. Open Golf Championship but two incidents a continent apart yesterday magnified a threat for the approaching tournament.

In Dallas, the young Australian, Peter Thomson, outclassed America's brightest stars to win first

## Ramblers Tie With Bombers For BJ Lead

MOBERLY (AP)—The Mexico Ramblers have climbed into a tie with the Brookfield Bombers for the Central Missouri Ban Johnson League lead.

Mexico won a doubleheader from Sedalia Sunday to climb to the top. Don Rittman pitched a seven-hitter to help the Ramblers take the first game, 3-2, and Bob McNamara authored a three-hit, 2-1 victory in the nightcap. Brookfield kept pace by whitewashing Marshall, 9-0.

Sedalia headed the standings last Friday but slipped four notches in two days. The Chiefs dropped a 4-3 decision to Doug Gulick and the Moberly Miners Saturday night before absorbing twin setbacks at Mexico.

Co-leaders Brookfield and Mexico are idle until Sunday night when they're scheduled to meet Columbia and Moberly in home contests.

The schedule through next Sunday:

	W.	L.	Pct.
Brookfield	7	3	.700
Mexico	7	3	.700
Columbia	4	3	.571
Boonville	4	4	.500
Sedalia	4	4	.500
Moberly	3	3	.500
Jefferson City	2	5	.286
Marshall	0	6	.000

## Scotties Defeat T&C 19-15 As Local Team Runs Out of Players

Friday night in 40 degree weather the Kansas City Scotties defeated Town & Country by a score of 19-15. Town & Country started with a third straight home run from Dorothy Rayl but the game was narrowed by a series of injuries to both sides — six stitches in one girl's leg from a spike wound, two sprained ankles, and one dislocated finger. The game was called in the last half of the seventh inning with Sedalia having one girl on base when sliding to second, sprained her ankle. With nobody out and the local ball team out of players, the game was called.

The locals will play the Springfield Labor Union team Wednesday night at 8. The Hughes twins will start their first game as the local battery.

Here were the developments at the other sectionals:

Kansas City—Two places went to Duke Gibson, Kansas City, 140, and Dick Knight, Omaha, 142.

St. Louis—Gene Webb, 145, and Roy Glenn, 149, took the section's two places.

Morgantown N. C. — Amateur Billy Joe Patton qualified with 140. The leader was pro Charlie Farlow with 139.

## Kennie Miller Shows Horse in Three Places

Kennie Miller has shown his horse, Stinger Rea, in the parade class of three shows over the weekend, at Lexington, North Kansas City and Richmond, placing in all three shows. Stinger Rea was trained by Ted Bryant at Hilltop Farm, Raytown.

## Red Sox Hitter Has No Thought Of Retirement

BOSTON (AP)—Boston Red Sox slugger Ted Williams says "they'll never stop my hitting" in emphasizing that he is not even considering retirement from the sport which pays him \$100,000 a year. Williams, although irritated and disappointed by his performances this season, yesterday ridiculed his statement "I'm all washed up." He said he has no thought of retiring.

"The only way I would (retire) is if I couldn't hit," the 37-year-old slugger said. "But that will never be because they'll never get me out. The only thing that will stop me will be my legs. They'll never stop my hitting."

Ted, hobbled by an instep injury suffered in a slip off a wooden shower clog, told a Boston sports writer after Sunday's 7-6 loss to the Kansas City Athletics: "I'm all washed up. I am through. I can't hit. They are throwing the fast ball right by me. I can't hit any more."

Williams displayed temperament on two occasions on the field. In the third inning he threw his bat into the dugout after striking out with two runners on base and in the fourth he lobbed the ball high in the air back to the infield after making a catch.

But yesterday, the big slugger said he was just clowning and his remarks about being "all washed up" were sarcastic.

"Me washed up? It will never be," he said. "But I'll not deny it because the idea is ridiculous."

Thomson, present holder of the British Open crown, is exempt from qualifying along with 15 others, including defending champion Jack Fleck, former champions Ed Furgol, Ben Hogan, Julius Boros and Cary Middlecoff, amateur champion Harvie Ward, Jr., and leaders of last year's Open, including Sam Snead.

Twenty-four qualifying tests — all but Honolulu and Dallas — were staged yesterday, with 1,781 golfers shooting for 108 places in the 162-man field. Honolulu decided its single candidate earlier.

Dallas trials were postponed until today.

Walter Burkemo, 37-year-old former PGA champion from Franklin, Mich., was the nation's low qualifier with rounds of 66-68-134, ten under par, at Detroit.

Roy Moore, Jr., and 18-year-old Memphis amateur, was second low with 70-66-136 at Nashville while John Deal of Nashville shot 137. The youngest qualifier was Phil Rodgers of LaJolla, Calif., 17, who had 70-68-138 at Los Angeles. Another teen-age qualifier was Dean Beman, 18, of Washington, with 149.

Here were the developments at the other sectionals:

Kansas City—Two places went to Duke Gibson, Kansas City, 140, and Dick Knight, Omaha, 142.

St. Louis—Gene Webb, 145, and Roy Glenn, 149, took the section's two places.

Morgantown N. C. — Amateur Billy Joe Patton qualified with 140. The leader was pro Charlie Farlow with 139.

Konstanty as a Yankee last season had a 7-2 record and 2.31 earned run average for 45 games.

The Redbirds made room for Konstanty by selling Max Surkont to San Francisco of the Pacific Coast League in a straight cash deal. The amount of money wasn't announced.

## Qualitative Fan Letters Carry Weight

By CHARLES MERCER  
NEW YORK (AP)—At one time or another nearly every television viewer says he's going to write a letter about this or that program. Relatively few do.  
But the relatively few add up to a quantitatively large number. Quantitatively fan mail tends to outnumber fan mail, humans being inclined to seize a pen in anger before they do in praise. It's well known that networks, sponsors and agencies read viewers' letters alertly. But it's less widely known that the world of television generally judges its fan and pan mail on a qualitative rather than a quantitative basis. One network official said the

other day that "we have found that two articulate letters are more representative of a large number of viewers than a dozen personal ax to grind."  
Some organizations provide their members with printed form cards. One of the largest of these is the "Committee of One" of the Legion of Decency which issues cards on which members may cite offending programs with a space to explain why under the printed line "I think this program is harmful because . . ."  
It's a rare radio or TV program—or columnist, author, play or movie—that has not been the recipient of one of these missives at some time.

One television network official says that these cards "don't even deserve an answer because they represent a group with an organized position. They do not encourage free thinking."  
"Committee of One" members also may send form cards praising a program—but cards of praise are seldom received. Recently one was received praising one of the most innocent and refreshing regular programs on the home screen. But the next day

the network received another form card condemning the same program.

### Divorce Complaints Filed By Couple

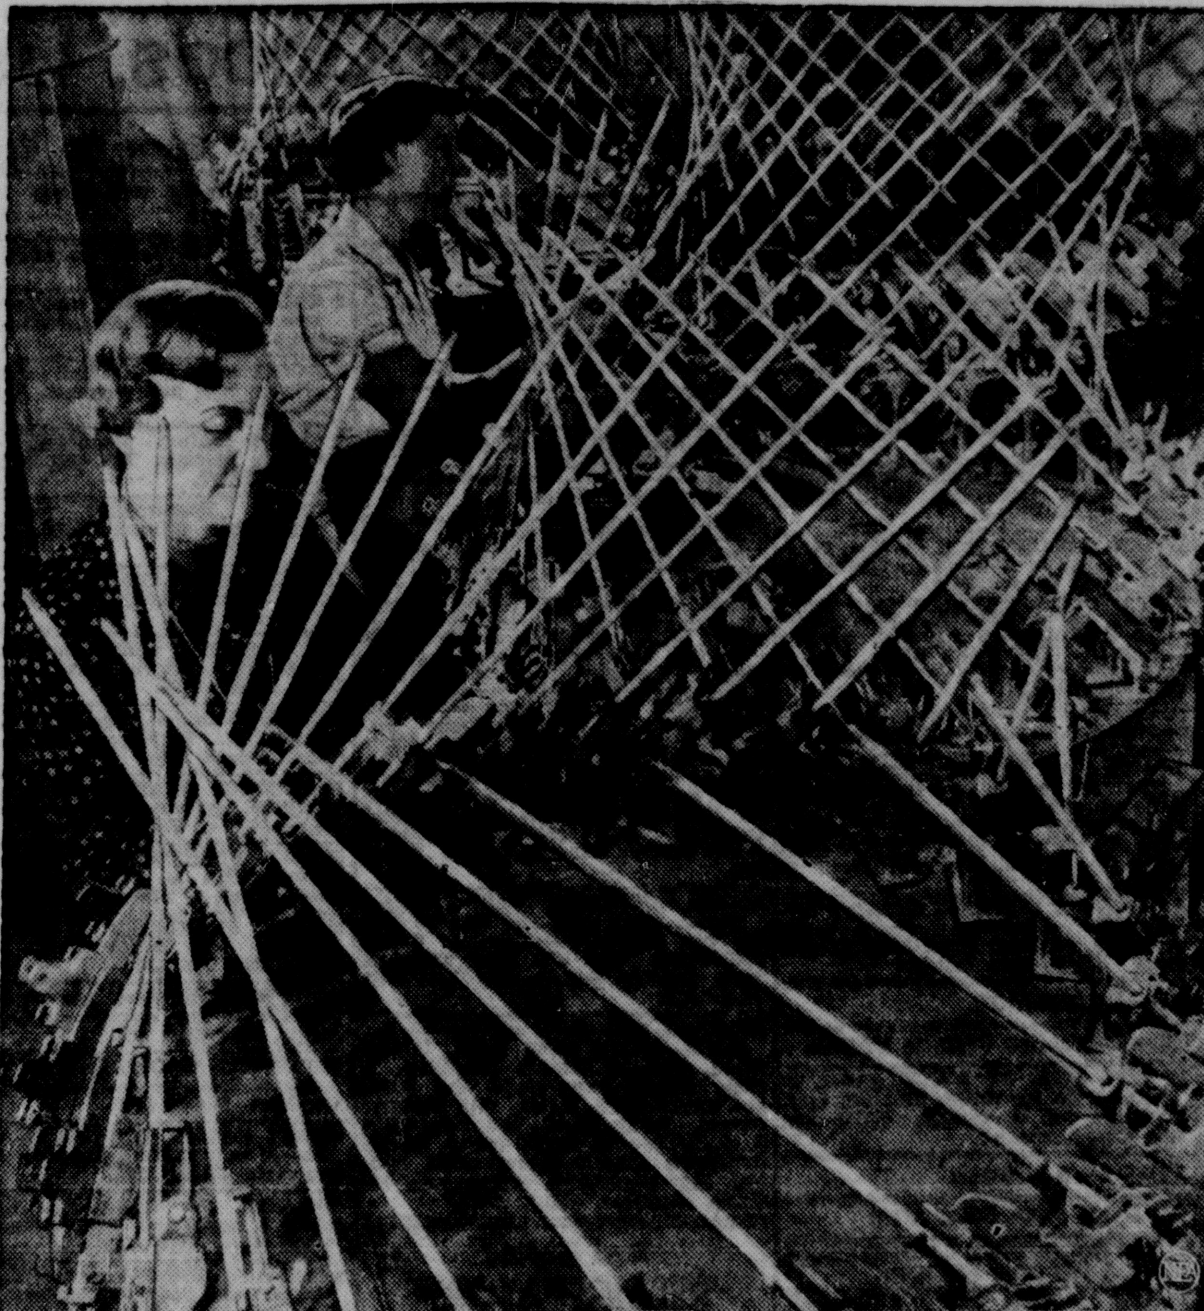

LOS ANGELES (AP)—British-born ice skater Belita Jepson-Turner has filed a cross complaint for divorce against her husband Joel Riordan, Hollywood actor.

She alleges cruelty, charging that he threatened violence in getting her to sign a managerial contract last year.

Miss Jepson-Turner, 31, known professionally as Belita, filed her action in Superior Court yesterday. Riordan, 32, brought the original divorce suit last December, charging the actress-skater deserted him Sept. 4, 1954.

Belita asked the court to cancel the managerial agreement, which gave Riordan 40 per cent of her earnings.

John Langdon, early governor of New Hampshire, was the first president of the United States Senate.

**A-MAZING WORK**—Looks as if these two gals had been playing a game of giant jack-straws and had gotten themselves into an awful tangle. The women behind the maze of sticks are Mary Del Canton and Jean Hemminger, workers in a bow-and-arrow factory at East McKeesport, Pa. They are fletchers and here they are busy fletching. That means putting turkey feathers on the ends of arrow shafts.

### Syracuse Sewing Class Begins Sewing Meeting

The Syracuse 4-H sewing group held its first meeting May 25 at the home of Mrs. C. D. Walters with 15 members present.

In the beginners group are Cecilia Allison, Joyce Brauer, Linda Combs, Susie Ellison and Judy Poe; group 2, Shannon Smith, Madge Craig, Janice Wittman, Linda Potter, Gayle Langkop and Erna Rhodes; group 3, Linda Brauer; group 4, Sandra Brauer, and group 6, Cynthia Burns and JoAnn Wittman.

Instructors are Miss Burns, Miss Wittman, Mrs. Kester Potter, Mrs. Lewis Smith, Mrs. Ray Burns and Mrs. C. D. Walters. Mrs. Burns is the 4-H project leader.

### Publicity Man For Athletics Talks to Rotary

D. D. Burr, publicity director of the Kansas City Athletics, was the speaker at Rotary Club Monday night, at Bothwell Hotel, and gave a brief history of the ball club, after which he showed a film of the Athletics in action. He stated that June 27 would be Sedalia Day and expressed hope that many of the Rotarians would make the trip to Kansas City with the group from Sedalia.

Dr. Stanley Fisher, program chairman, introduced the speaker.

D. W. Heckart, president, presided over the meeting and invocation was given by the Rev. H. U. Campbell. Singing was led by the Rev. D. Warren Neal with Miss Lillian Fox at the piano.

Guests introduced by James T. Denny were Pinkney Miller, guest of P. A. Sillers; Tom Hagan, guest of Elmer McClung; Jeff Lockett, guest of his father, George Lockett; Dan Robinson, guest of Frank Bryant; and Rotarian Rev. H. U. Campbell, Lexington.

Baby Rotarians introduced by K. U. Love were Jess and John Brown.

Bob Johnson, chairman of the entertainment committee, announced that the annual picnic would be

### Knob Noster Cemetery Board Holds Services

Memorial services were held at the Knob Noster Cemetery Memorial Day. The Boy Scouts gave the salute to the flag before the group sang "America." The Rev. Donald Smith, pastor of the Presbyterian Church, gave the scripture reading and prayer. Bill Mondary sang a solo.

Elder J. T. Nutt introduced the speaker, the Rev. Raymond Rumbold, pastor of the Methodist Church. The group sang a hymn.

Mrs. Charles F. Covey, secretary of the Ladies Cemetery Auxiliary, talked on lot payments and endowments.

A hymn was sung by the group before the benediction was pronounced by Elder Paul Burgess, pastor of RLDS Church.

A modern jet fighter plane uses enough tubing to equip the heating and water systems of five six-room houses.

There are nearly 25,000,000 acres of national forest land in California.

held Monday at 6:30 p.m. in the Catholic Community Center. Rotarians who are unable to attend must register at noon at the Bothwell Hotel.

## Movie Stress Has Shifted To Writing

By BOB THOMAS  
HOLLYWOOD (AP)—Hollywood is wooing writers as never before.

This becomes more evident each day as the emphasis continues to shift to the story, both in movies and TV. Producers in both mediums are proclaiming their dire need for good story material. Some are even taking definite steps to promote it.

Columbia Pictures has notified book publishers that the studio will help finance unfinished books that present good film possibilities and will assist in publicizing the books when they are published.

"We need properties," Columbia boss Harry Cohn declared. Other producers heartily agree, and some are offering fellowships and prizes to encourage new writers.

One of the pioneers in this matter is Samuel Goldwyn, who has been a booster of story values throughout his long career. During the '20s, he imported a group of big-name authors from New York and London. The experiment was not a rousing success, but it did improve the literary tone of the Hollywood product.

Last week Goldwyn presented his annual \$1,000 prize for the best creative writing by a UCLA student to a pretty young Chinese girl from Formosa, Lee Hwa Yu. The producer, whose own English is not polished but who still possesses a convincing earnestness, gave some of his thoughts about writing.

"Writing is a work of love," he remarked. "You have to sweat if you expect to create something convincing."

"Without good writing, a picture cannot succeed. I have failed many times for that reason. I can produce a picture beautifully, but if I do not have a good story, it means nothing."

Length of the cotton fiber may be from 1000 to 3000 times its diameter.

Average depth of underground coal mines in the United States is 190 feet.

**Used Electric REFRIGERATORS** taken in trade

# Extreme Noise in Rocket Age Warfare Presents Problem

By DOUGLAS LARSEN  
NEA Staff Correspondent

WASHINGTON (NEA)—They may have to cancel World War III because it'll be too noisy.

That's the ironic contention of a battery of experts studying effects of the deafening noise of rocket engines being tested for guided missiles.

A few weeks ago the Veterans Administration had to create a new category of disability payments for former servicemen whose hearing had been damaged by too much exposure to rocket and jet noises.

An undisclosed number of men have been forced out of service because of the ailment.

"Loss of hearing discrimination" is the VA's technical term for their trouble. They can hear sound when someone talks. But they can't distinguish words.

Up to \$181 per month will be paid to these men.

The services provide ear plugs for men working near rockets and jets. But the men forget to wear them. And medical science has not learned exactly what the physical effects are of these man-made

noises of unprecedented intensity. Jet noises have already affected aircraft design. For instance, it was learned that the noise from the engines on the new B-52 bomber shredded the wing flaps. The flaps had to be redesigned to stand this unique strain.

The community relations aspects of jet clatter is old. But the current need to establish more than a dozen rocket engine test sites around the country because of the missile speed-up program brings up a new situation.

There is no danger of ear damage to citizens in towns near rocket firings. But it is a nuisance, with a risk of broken windows and cracked plaster.

The gravity of the community relations problem is revealed at the North American Aviation Co. rocket test center hidden in the remote Santa Susana Mountains 35 miles northwest of Los Angeles. Tests are static firings. No rockets are "launched."

People in the area complaining of the frequent fearful blasts have protested so earnestly that serious consideration has been given to closing the elaborate, expensive

ROCKET TAKE-OFF: How much noise can man stand?

How do high-powered cars and low-powered brains happen to get together so often?

installation and moving it to some remote spot.

However, transportation difficulties, the need to be near a town for employees and other considerations make it impossible to put all rocket test centers far from civilization.

A rush study of rocket noises, now being made by Massachusetts Institute of Technology, is seeking new information for properly locating test sites. It has been learned that large areas of sand tend to absorb the noises, while stone, rock and concrete tend to bounce them.

Weather conditions also have a lot to do with the propagation of rocket noises.

The decibel is the unit of measuring noises. And the powerful engines of the B-52 bomber, for example, produce in the neighborhood of 150 decibels.

However, even some of the smaller rockets generate more than 170 decibels.

There is growing evidence that the bigger rocket engines, such as will power the first earth satellite, may be reaching the maximum noise that can be created in the earth's atmosphere. Some wave phenomenon seems to be present at the top noise levels which indicates that there is a maximum.
